**Chapter 1 - Without You**

# 1 - Without You

Without You

I'd give everything I own  
For just one kiss  
I'd take 100 pictures  
Cause its your face that I would miss

Chorus  
You awaken my soul  
You make me whole  
You set me free  
Where would I be  
Without You

I don't need anyone else  
There isn't another man  
You don't need to be scared  
Your my only one  
And I'll take your picture  
And hang it on my wall  
So I don't forget you  
Cause after all

Chorus

All we need is love  
Together we will prevail  
Nothing will come between us  
In us we trust.

Chorus
