Chapter 1 - 1

2

Someone save me
I feel I'm falling
And there's nothing left to reach for
Someone hold me
I feel I'm failing
And there's no ambition left to reach for

Sanity is just out of reach
Like the hand reaching out to save me
And I grasp at straws
In an attempt to save myself
From my purgatory

I'm lost and wandering
Through the deepening abyss
My mind weaves the shadows into faces
Of the friends I wronged
And as I apologize to the wind
I fall further

Further away from the hand
Reaching out to save me
And further away from sanity
I keep grasping at straws to save me
Crying out in purgatory

I hit the ground
But don't feel the impact
I've reached the bottom
And there's no way out
Grasping at straws to save me
Life has become my purgatory.
