Chapter 1 - Love

2

1 - Love

Love is higher than the mountains
Love is deeper than the ocean
Love is longer than the miles
Between you and me
Love is stronger than a freight train
Love is faster than a jet plain
Love is bigger than the troubles
That we'll ever see

No mountain too high
No valley too low
Our love is gonna pull us through
No river too long
No ocean too wide
Our love will always be true

Love is higher than the mountains
Love is deeper than the ocean
Love is longer than the miles
Between you and me
Love is stronger than a freight train
Love is faster than a jet plain
Love is bigger than the troubles
That we'll ever see

No towers to climb
No paths to cross
Our love is gonna meet us here
No distance too far
No obsticales too many
Our love won't make us shead a tear

Love is higher than the mountains
Love is deeper than the ocean
Love is longer than the miles
Between you and me
Love is stronger than a freight train
Love is faster than a jet plain
Love is bigger than the troubles
That we'll ever see
