Chapter 1 - Lonely

2

1 - Lonely

Why do I feel so lonely
When I have so many friends around?
Why do I feel so lonely
Even though we re always bound?
Why do I feel so lonely
Even though the answer is found?

I know why I feel so lonely.
I know why I feel so sad.
My heart was broken.
And all that came from it was bad.
I smiled and pretended
But all I did was lies.
I smiled and pretended
But I knew I slowly died.

Yet the phoenix will rise from the fire
Like it s done a many times before.
My actions will be dire
But I m glad I won t feel that way anymore.
