Chapter 3 - claw animal i have become	5

1 - stand in the rain full song

She never slows down.

She doesn't know why but she knows that when she's all alone, feels like it's all coming down

She won't turn around

The shadows are long and she fears if she cries that first tear, the tears will not stop raining down

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, what's lost can be found

You stand in the rain

She won't make a sound

Alone in this fight with herself and the fears whispering if she stands she'll fall down

She wants to be found

The only way out is through everything she's running from wants to give up and lie down.

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, what's lost can be found

You stand in the rain

So stand in the rain

Stand your ground

Stand up when it's all crashing down

Stand through the pain

You won't drown

And one day, what's lost can be found

So stand in the rain

Stand your ground

Stand up when it's all crashing down

You stand through the pain

You won't drown

And one day, what's lost can be found

You stand in the rain

2 - claw animal i have become part1 the song

I can't escape this hell
So many times I've tried
But I'm still caged inside
Somebody get me through this nightmare
I can't control myself

So what if you can see the darkest side of me
No one will ever change this animal I have become
Help me believe it's not the real me
Somebody help me tame this animal!
This animal, this animal

I can't escape myself
So many times I've lied
But there's still rage inside
Somebody get me through this nightmare
I can't control myself

So what if you can see the darkest side of me
No one will ever change this animal I have become
Help me believe it's not the real me
Somebody help me tame this animal I have become

Help me believe it's not the real me
Somebody help me tame this animal

Somebody help me through this nightmare
I can't control myself
Somebody wake me from this nightmare
I can't escape this hell

This animal, this animal
This animal, this animal
This animal, this animal
This animal

So what if you can see the darkest side of me
No one will ever change this animal I have become
Help me believe it's not the real me
Somebody help me tame this animal I have become

Help me believe it's not the real me
Somebody help me tame this animal!
This animal I have become

story of how claw became a bounty hunter and the way it makes him

listening to what those other full bloods did and how a bounty hunter helped get rid of the ones who destroyed hearts. i wanted to help my friends get revenge for my family so i went to the life faked my death left the ones closest

by the time i thought i had done what i wanted to the blood on my claws drew me in so deep to the darkest realm of my self i took one job after another to prove myself then my heart from the past hit me in the face asked to kill the last of a demonic line should of been easy for me but when i saw who they asked me to kill i knew i had been killing the innocent but i was so deep just the way i walked spelled killer how could i face them after what i had done .

ok so basically he starts out nice then turns into this animal then he has a chance to return to his normal life
