1 - How I got it..

" Sorry... He got in the way." I heard someone say.. My eyes went wide as I lifted my head and looked over at the door way.. " Kish." I said meanly. " Why the tone? Weren't you always nice?" Kish asked. " Not to you anymore." I said getting up.. " Oh.. You have filthy blood on your face my dear." Kish said. " Filthy?" I asked glaring at him.. " That's what you call Gaara's blood? Filthy?" I asked. " Yes.. You see.. All people who have had or have demons in them have filthy blood.. Becasue it's been tainted by the demon." Kish explained. I looked down at Gaara. " It's not Tainted.. It's not Filthy." I started. " Sorry?" Kish asked. " It's pure.. Pure blood like everyone else's..." I continued still looking at Gaara. " Pure.. Not tainted. Clean not filthy." I continued on. " What are you talking about?" Kish asked. " The blood of those who have had or have demons inside them.. It's pure and clean not tainted and filthy... Only people with evil vial intensions have tainted and filthy blood.. Those with good and pure intenstions have pure and clean blood." I said. " What are you rambling on about?" Kish asked. " Mother always told me that everytime I said someone had tainted or filthy blood.. After I had wallowed in it for hours... I wallowed to satisfy my Lust.. And yet I always figured the blood I wallowed in was filthy and un pure." I said. " Mother? Who is your mother?" Kish asked. " Those who have ev-il intensions.. Are the ones who have filthy blood. Those who have pure intensions have clean blood. Those who are evil have tainted blood. Those who are good have pure blood. No one but evil people have filthy and tainted blood. Demons who are good have pure blood. Demons who are evil have tainted blood. I have clean blood and you do too.. Those mean men and women have filthy blood. Good intensions equal clean and pure blood.. Evil intensions equals tainted and filthy blood. He has filthy blood so does she. I have clean blood and so do you.. You and I are the same.. So is she.. Don't worry my dear.. We all have pure and clean blood." I said as my eyes went dark. " Zelda. Zelda? ZELDA!" Kokumon yelled. I didn't reply. All of a sudden I jolted. My head fell forward and it stayed that way for a moment.. I then lifted it and laughed. " Do you still believe that silly girl?" I asked. My head went to one side as if I had been slapped. " Of course I do... My mother always said it and I believe it." I said as my head snapped the other way. " Well.. Mommy wasn't tellnig the truth." I said. My head snapped again. " YES IT IS!" I yelled. Again my head snapped " Oh just leave mommy's little pholosiphies for the books and let me reign control" I said. My head snapped. " No! You always hurt people." I said. My head snapped for the last time. I laughed as I lifted my head up. I looked at Kish. " So.. He has filthy blood?" I asked pointing to Gaara. " yes." Said Kish firmly. " Do you want me to show you filthy blood?" I asked. Kokumon gasped as he seemed to realize it wasn't me talking. " Very good Kokumon... You realized what I was doing." I said dieverting my attention to him. " Serena." He said firmly. " Oh ho.. Clever clever." I said smiling. " Well.. You can tell Zelda when she wakes up... If she wakes up... That I destroyed Kish for her." I said as I charged at Kish with a Kunai. HE faught back and cut me. " AH!" I yelled from pain.. " Nice shot you got." I added rising to my feet. Ksih struk and just missed where my heart was.. I smiled.. " I haven't had a battle to the death since I first gained control." I said as I went and attacked Kish.. I struk his heart. He fell over.. Dead.. I then fell to the ground and shortly after unconscious. I did regain consiousness.. But I wasn't in my bed... " Where am I?" I asked sitting up..

2 - Now.

"Where am I?" I wondered. Just then the door opened. "Zelda.. You have a visitor." said the nurse. "Now do be careful not to surprise her with anything.. She just regained consciousness and you are well aware that she's been out for a month." Said the nurse to someone I couldn't see. "Yes.. I understand." I heard someone say. "ok." said the nurse as she let the person in. I saw a man about my age.. Blood red hair.. And tattoo on his forehead and sky blue eyes. He sat down in the chair next to the bed I was in.. "Who are you?" I asked. "I'm Gaara." said the man. "Gaara." I said. "Yes.. I'm....a friend of yours." Gaara said. "why did you pause?" I asked. "I'm a little hazy from what happened." He said. "Oh.. ok.." I said not understanding at all. I looked at his left hand. "You're married?" I asked. "Engaged..Actually." Gaara said sadly. "why are you so sad?" I asked. "An Engagement is something that should be celebrated." I added. "Well.. The woman I'm engaged with... She's in the hospital right now." Gaara said. "Oh.." I said.. "Gaara.. Your hours are up..." Said the Nurse. "Ok." Gaara said as he went to get up. I grabbed his wrist. "Zelda.. You don't grab onto your visitors." The nurse said as she walked over to remove my hand from Gaara's wrist. Before she got here though I let go. Gaara walked out. Why did I grab his wrist? I wondered. "Now do be careful.. Don't surprise her in anyway shape or form.. She regained consciousness only a few minutes ago." I heard the nurse say. I rolled my eyes. How many times is she gonna repeat that same line? I wondered. "Ok." I heard a girl say. "Whatever." said a guy. "Ok." said another guy. Then three people walked in. I stared at them blankly... "Niente of you are Gaara." I said hoping he was coming back. "You remember him?" The girl asked. "He just left." I said. "Now who are you?" I asked. "I'm Sakura.. This is Sasuke and Naruto.. We're friends of yours..." said Sakura. "Sakura.. Sasuke.. And Naruto." I said. "Yes." Said Sakura. I looked at Sasuke. "You don't seem happy to be here." I said mockingly. "Hn." was all that came from Sasuke. I just shook my head and looked over at Naruto. "So.. What's your story?" I asked. Naruto looked at Sakura who seemed to threaten him. "A friend like she said.. But I want to become the village champion the Hokage!" Naruto exclaimed. "Good luck." I said plainly. "Don't worry about him.. He's just annoying is all." Sakura said. "I can see that." I said. "Times up.." said the Nurse." Ok..." said Sakura. "Bye Zelda." She added as she Naruto and Sasuke left the room. I sighed awaiting the next person. A girl... About 5 years younger than me walked in. "H-Hello." She said. "Hi." I said smiling. "Who are you?" I asked. "Hinata." She said. "What's your story? Everyone's is 'We're your friends'." I said. "I'm your sister." Said Hinata. I looked at her. "really?" I asked taking interest. "Yes." Said Hinata. She sat down and we talked a bit.. "Hinata. Visiting hours are now over.. And May I talk to you?" The nurse said. "Yes. Bye Zelda." Said Hinata as she left. I heard something through the door about Hinata being my guardian and taking me around the village and everything. Hinata agreed for all I heard.

3 - Walk around the village

I woke up and tried to remember what had happened yesterday. " Oh yeah." I said remembering. " Hinata's gonna take me around the village." I added as I got up. For the first time I looked at my stomach. " What the.." was all I could say.. For someone had knocked on the door. " Come in." I said. Hinata walked in. " Good morning Zelda." She said. " Good morning Hinata." I said smiling.. " Come on.. We're going to take a walk around the village." Said Hinata. " Ok." I said as I grabbed the clothes that were by the bed. " Um by the way." I said. " Yes." Hinata asked. " Why is my stomach so big?" I asked. " Oh... Um..." Hinata stuttered. " You don't have to tell me.. I'm sure I can figure it out in a bit." I said as I walked over to her. " Let's go," I added. " Ok." said Hinata. We left and Hinata led me around the village. Hinata brought me to what looked like a training ground.. There were three people there already.. Two guys about Hinata's age and a lady. " Hinata! Over here!" called one of the boys. " Come on Zelda." Said Hinata as she led me over to them. I stared at them blankly. " Hinata.. Why'd you bring Zelda all the way out here?" The lady asked. " Um. Excuse me... But who are you?" I asked politely.. " You mean you don't know!?" One of the boys asked. " Do you remember him?" He asked as he showed me a dog. " Nope. But he is cute." I said scratching the dog behind the ear. He seemed to enjoy it.. " Arf!" The dog barked happily. " Well. I'm Kurenai.." Said the lady. " And this is Kiba Akamaru and Shino." She added. " Kurenai..Kiba. Akamaru and Shino." I said. " Yes." said Kurenai.. " Why'd she repeat it?' Kiba asked. " You dope can't you tell?" Asked Shino hitting Kiba in the head. " What?" Kiba asked. Shino whispered something in Kiba's ear. " Oh." Said Kiba understanding. I rolled my eyes. " So Hinata... Who are they exactly" I asked turning my attention towards Hinata. " My team mates and my sensei. " She replied. " Oh." I said. " Well. It was nice meeting you." I said as I walked off. " Zelda!" Hinata yelled as she ran after me. " I need to stay with you.. You can get lost." She said. " Right.. Sorry." I said. After a while of walking through the village and getting something to eat.. Hinata took me to another training ground. I saw Naruto Sakura and Sasuke with a man who was reading a book. Hinata led me over to them. " Hello Naruto Sakura Sasuke." I said waving. " Hi Zelda. Glad to see you." said Sakura.. " Oh Hello Zelda." Said the man looking up from his book. I looked at him blankly. " Sorry. But how do you know my name? And who are you?" I asked. " Kakashi sensei.. She just got out of the hospital." Sakura said quietly. " Oh." said the man. " I'm sorry. Where are my manners.. I am Kakashi Hatake.. But you can call me Kakashi." He said. " Hello. Kakashi." I said. " She repeats everyone's name." Said Hinata. " To get them in her thick head I suppose." Naruto retorted.. I shot him a nasty look. " Shut up." I said as I smacked him in the head. After Hinata was taking me home.. Where ever that was.. When we heard someone calling. " Zelda! Zelda! Hinata!" We turned around... And I saw two women and a man I didn't know running towards us.

4 - Enter Tsunade and Jiraya

Hinata and I turned around to see a woman (Changed it cuz I forget Tsunade's boyfriends niece's name) and a man come running towards us." Hello." said Hinata. " Hello Hinata." Said the lady. I looked at the two people blankly like I have with everyone else before I learn their names. " Um... Excuse me." I started. " Sorry." Said the lady. " Who are you?" I asked. Hinata whispered something to the two people. " I'm Tsunade and this is Jiraya." Said the lady. " Hello." I said bowing. They seem important to me.. I don't know how but they seem important. I thought as I straightened up.. " So she doesn't remember a thing?" Jiraya asked. " Nope." said Hinata. A smile crossed his face. " well. Than maybe I should take her to see some of the village." He said. " Unnesesary Jiraya." I said.. " Hinata's already taking care of me.. I'm fine with her." I added. Tsunade smirked.. " Someone turned you down someone turned you down." She chanted happily. " Shut up." Jiraya said. I closed my eyes for a split second.. I opened them quickly. " What's wrong?" Asked Hinata. " I know why my stomach so big.. It's becasue I'm pregnant isn't it?" I whispered. " Yes." Hinata whispered back. All of a sudden I heard someone scream my name. I tunred around to see a lot of boys coming my way. " Sorry Lady Tsunade Lord Jiraya but we have to go." Said Hinata as she pulled me away and we ran. " What's this all about?" I asked. " Tell you when we get home." Said Hinata as she ran.. I followed close behinde her and she led me to a big house. She pushed me in and ran in herself.. She shut the door quickly. " Now.. What.. Was that?" I asked out of breath. " Fan boys." Said Hinata. She led me to what must have been the living room. " Please stay here." She said as she left.. She came back two seconds later with Gaara and four other people. " M.." was all a girl could say.. Gaara had stopped her before she had finished. He whispered someting to the kids. " Who are the four Gaara?" I asked. " Karolek Kairi Lily and Rose." said Gaara. " Karolek. Kairi Lily Rose." I said. " Yes." Said Gaara. I looked at the four of them and then stood up.. I walked over to Gaara and pulled him out of the room. " Who are they though?" I asked. Gaara seemed hesitant. " And do you know how I got pregnant? Like who's children I have?" I asked. Gaara eyes widened. " I figured it out." I said. He looked away. " Tell me.. Am I the one you were talking about yesterday? And the four kids in the living room my kids? DO I have your children?" I asked. Gaara didn't answer. " Please." I said.. " really really want to know the answers to my questions." I added. Gaara pulled me into another room. " This is your room." He said. He led me to the closet and moved a trap door. " You made this place to hide when you were little." He continued as he helped me up. " YOu also come here when you want to be alone.." He added. I looked at him sadly.. " You know.. You haven't answered my questions." I said looking right into his eyes. " I'm sorry. But I am unable to answer them right now." He said returning the look. I moved closer to him and put my head on his shoulder.. " This is familiar to me.. I don't know how but it is." I said as i looked up at him again. My face automaticaly moved closer to his. I was inches away from hi face....

5 - New girl

I was inches away from his face....Then I backed away.. " I-I'm sorry" I said blushing. " Don't be.. It's always like this." Gaara said as if it were nothing. " But but.. You said you were engaged... And I went and did that.. I'm so sorry." I said shaking my head from side to side. " I said don't be." Gaara said agains as he put his hand on my shoulder. " It's fine." He said smiling.. I smiled. " Ok. I'll take your word for it." I said. " Good. Let's go back down." Gaara said as he went down first. He then helped me down.. " Gaara." said a girl. I stared at her blankly. " Ne? What's wrong Zelda?" She asked. I backed away and hide behinde Gaara. " Gyoku.. She's got." Gaara said. He then lipped a word. The girl seemed to understand. " Sorry.. I'm Gyoku.. Do you know Naruto?" She asked. " yes." I said still unsure. " He's my brother.." She said. I went beside Gaara.. " The wierdo?" I asked. " Yeah.. The wierdo.." Said Gyoku. I walked up to her.. " So what's your story?" I asked. " Ne? what do you mean?" Gyoku asked. " Are you a friend of mine?" I asked. " Yes." She replied. " Ok... That seems to be another." I said with a sigh. Then someone walked in the house. " AH! Just the person I wanted to see." Said a man.. He was looking straight at me. Gaara shook his head. " Ne?" Then man said. Gaara lipped the word again. " Ah.. So sorry. I'm Neji.. I'm you cousin." The man said. " Neji." I said confused.. " Yes.." Neji said.. " Neji? This is where you went." A woman said as she entered. " Ah.. Zelda.. This is Tenten.. She's my Fianceé" Neji said. " Hi Tenten." I said smiling. " Doesn't she already know who I am?" Tenten asked confused. Neji shook his head.. Tenten seemed to get why he was shaking his head.. " Ah.." She said.. I looked at Hinata. " Want to go somewhere else?" She asked. I nodded. " Ket's go to the hot springs.." She sugested. " Wherever you take me I guess I have to go." I said. " Hot springs it is." Said Hinata smiling. We went to the hot springs but on the way we saw 5 people.. " Hey." Said a girl with blond hair. .She didn't seem happy to see me.. " What's your problem?" I asked looking straight at her with the same tone in my voice. " Since when have you given my tone back?" The girl asked. " I just met you." I said making a face. " No you've known me for a while." HTe girl said. I shook my head. " She's in denial like she was when I first asked her if she liked that sand guy.." The girl said.. " Ne?" I asked. " Yeah.. You were in total denial.. But here you are now.." She said. I looked at her totaly blank.. " Hinata.. Mind telling me what she's talking about?" I asked. " First.. Zelda.. This is Ino.. Shikamaru Shiek Rose and Impa.." Hinata said. " Ino Shikamaru Rose Impa?? Nice to meet you." I said. " Wait.. She's just learning our names?" Ino asked.. Then she smirked.. " Well.. You know what?" She asked. " What?" I asked. " You thought I was teh best person ever... You always bought me things that I wanted and you always did what I said when I said it.. And also I was your all time favorite." Ino said.. " really?" I asked my eyes sparkling. " Yep." Ino siad with a satisfied smile. " Ino don't take advantage of her.. At this point she'll believe whatever anyone tells her." Hlnata said.. " That's the point." Ino said. I had no idea what they were talking about but I drifted off into space.. " Zelda.. Zelda" I heard Hinata call. " Huh. " Was all that came from me as I snapped back to earth. " I want you to go get me a purple dress." Ino said. " Sure." I said. " Hinata can we just go get that one thing for Ino?" I asked. " No.. We're going to the hot spring remember?" Hinata asked. " Oh yeah.. I'll get it for you later." I said as I walked off with Hinata.

6 - Hot springs

Hinata and I were at the hot springs. I looked over to see Kairi with a man.. " Kairi." I said smiling as I went over to her.. " Hello Zelda." She said. " Why are you saying her name?" The man asked. Kairi lipped something. The man understood. " I'm Kiyoshi.. I'm Kairi's friend." HE said. " Nice to meet you." I said smiling. Hinata came over too. " Hi Kiyoshi." She said. " Hello Hinata." said Kiyoshi.. I heard four splashes and looked behind me to see two kids and two adults come over. " Aunt Hinata." Said the girl.. " Hello." Said Hinata.. " Aunt Hinata?" I asked confused. " Yes.. Uh... A friend's daughter..." Hinata said. " You're as hesitant as Gaara..." I said looking at her. " Oh... How has Uncle Gaara been?" The girl asked. " Uncle Gaara." I said really confused.. Hinata was going to whisper something to the girl.. " Aunty!" One of the kids exclaimed. I looked over to see the little girl come towards me and she hugged me. " Hello." I said smiling hiding the fact I was totally confused. " Zelda.. This is Machi Haruhi Kairi and Karolek." Hinata said. " Thank you." I said looking at Machi. " Hello Machi." I said smiling again. " Aunty.. Why did she have to tell you my name?" Machi asked. " I don't know." I said looking at Hinata. " All I know is that I woke up in the hospital this morning." I added. " Awe you alright?" Machi and Haruhi asked. " Yes.. I'm fine." I said reassuringly. " Good. We don't want Aunty to get sick and forget about us." Haruhi said. I smiled. " It'll be hard to forget you two.. You're adorable." I said. Machi and Haruhi smiled. Kairi laughed. " My mom dad and brother should be here soon." She said. " My mom's name is Temari my dad's name is Sasori and my brother's name is Kiyu." Kairi said. " Thank you." I said. I saw three people come over. " Kairi.. Why are you with him?" A boy asked. " Get off it Kiyu." Kairi said. I looked over to see a man and a woman.. Sasori and Temari I presume. I thought. " Hello Zelda." Said the woman I figured to be Temari. " Hello Temari." I said smiling. " Sasori.. Kiyu." I added. " Hello." Said Sasori. " Hi Aun.." Was all Kiyu could say.. Kairi had covered his mouth shaking her head no.. " Hi Zelda." Kiyu said. " Why was he about to say Aunt?" I asked. Kairi's eyes went wide.. " Oh... He just made a mistake that's all.. Right Kiyu?" She asked elbowing him in the side. " Y-yeah.. That's all.. You look like my Aunt." HE said prior to being elbowed. I shrugged. " I would like to leave now Hinata.. I still need to get that dress for Ino." I said. " INO!?" Kairi yelled. " Yes.. She asked for it so I'm going to get it for her." I said. Temari was giving me a 'are you feeling ok?' look. " What?" I asked. " Nothing." Temari said. I quickly got out and left. Hinata led me to the store and I bought the dress. I gave it to the passing Ino. " Thank you." Said Ino smiling. " You're welcome." I said bowing. Hinata and I went to get something to eat.

7 - At the Ramen tent

When Hinata and I arrived at the ramen tent I saw someone with spiky blond hair.. Another person with short blond hair. and a girl who had ginger brown hair with blond Highlights. The one with spiky blond hair turned towards me. " Zelda." He said waving. " Hi Naruto." I said smiling as I walked over. " Nii-sama.. She's never smiled at you." Said the man with shoulder length hair. " Nii-sama?" I asked. " Yeah.. I have a brother as well as a sister." Naruto said. " Unlce Naruto.." Said the Girl. " Lakies and Konkuro." Naruto said. I smiled at the two of them. " Hello." I said. " Hello." Said Konkuro confused. I sat down. " Two beef noodle." Hinata said. " Two beef noocle ramen coming up." Siad a man behinde the counter.. " Beef noodle." I said confused. " You'll like it.. Believe me." Hinata said reasuringly. " I'm gonna take your word for it." I said. I heard laughing coming from behind.. I looked over my shoulder to see a Woman and a man come walking up. The man glared at me. " Hello." I said smiling.. The man seemed confused for a moment.. Then he laughed. " Not funny." He said. I looked at him blankly.. " Don't give me that blank look... You're pulling my leg." He man said.. One of my eyebrows raised. " Pulling your leg?" I asked. " How.. I'm sitting and waiting for my food." I said.. " Very funny." The man said. " Now stop joking around Zelda." He said. " How do you know my name?" I asked. " It's getting old now.. Stop joking around." THe man said. " I'm not joking around.. I don't know who you are." I said sincerely.. " Ace.. I don't think she's joking." The woman said looking right at me. " She's always played tricks on me Katara." Said the man who I assumed must be Ace. " Ace.. Katara." I said. " Told you." Said Ace. I looked at him. " I only know your name becasue Katara said it.. And I only know Katara's name becasue you said it." I said. " VERY funny Zelda." Ace said rolling his eyes. I was still looking at him... " You're never nice are you?" I asked. " Sure I am.. Just not nice to you." He said. " Why? What did I do? We only just met." I said. " Your ramen." The man said. " Oh.. Thank you." I said as I turned around and started to eat. " You're right Hinata.. I love it." I said as my eyes sparkled. " I knew you would." Said Hinata. I smiled as I ate more of the Ramen.. I finsihed that bowl.. " Man that was good.. I'm done." I said as I pushed the bowl away. " Just 1?" KAtara asked. " Yes. I can't eat anymore." I said. " But... You once ate 100 bowls of Ramen." She said. I looked at her. " Must have been someone else." I said. Then Katara realized something. She whispered to Ace who then must of just understood why I was acting wierd. " I get it now." He said. I stood up. " Let's go Hinata. I'm getting tired." I said. " Ok." Said Hinata as she paid. " Wait." Katara said jsut as I was leaving. " Yes." I said looking back at her. " You know you're pregnant right?" She asked. I nodded. " What are their names?" She asked. I shruged. " I have no clue..." I said as I walked off. I heard four words. " I told you so." When I got home I went to the room Gaara said was mine and went to bed.

8 - The next day

I woke up and looked around... I got out of the bed and rubbed my eyes. I walked out of the room not caring that I was still in my night gown.. "Good morning Zelda." Said Hinata. " Good morning." I said smiling. " If you want to get dressed there is some clothes that will fit you in your closet." Hinata said. " Thank you Hinata.. I think I will get dressed after breakfast." I said. " shall I make it?" " If you want.. I'll give you a hand.." Said Hinata. " I'll get the things you need." " Ok." I said. " Here's teh cook book.. Look at teh pages after 101." Said Hinata as she handed me the cook book. " Thanks.' I said looking through it. I found something that looked good. " Hinata I would like to make this." I said. Hlnata looked at what I wanted to make. " Oh Zelda.. That's not apart of what you can eat." She said. " Oh." I said. " But you can still make it.." Said Hinata. " Here's something thouhg." She pointed to the next page. " Thank you." I said.

9 - That afternoon

Bold Is thought.

I was on a walk since I pretty much knew the whole village.. I had my cell just incase I needed help or something.. I went to the store and bought some clothes.. I left and saw a tattoo parlor. I walked right by it.. " ZELDA!" I heard someone yell. I turned around to see a man waving me over. I walked over to him. " Hello." I said smiling. **WHO THE HELL IS THIS GUY?** I thought " How ya been? You haven't come by at all.." The man said.. I looked at the sign and saw the name Dominique **This must be the owner** I thought " Dominique.. I really need to get going." I said hoping that was his name.. " Alright Zelda.." Said Dominique. " I suppose Gaara does get worried about you." He added. I looked at him blankly then just looked at him. **What's he talknig about?** I wondered to myself. " See ya." I said as I walked off back home, at least I guess that's what it is. I walked in and Hinata came up to me. ." Did you manage ok?" She asked. " Yeah.." I said.. " Hinata." I added. " Yes?" " What's this about Gaara getting worried over me and everything?" I asked. " Where'd you hear that from?" Hinata asked. " A guy named Dominique when I said I had to go." I said. Hinata was silent.. " Come on.. Lunch is ready." She said.

~ End~

Short I know but I have nothing else to say.. I can't think.

10 - That night

I was just finishing up the dinner that Hinata had made when there was a knock on the door. " I got it!" I heard Kairi yell as I heard her running. I heard the door open. " Hi." I heard a girl say. " Chidsuru Hisoka. What a unexpected surprise." Kairi said with a help tone. I got up from teh table and walked out. " Zelda!" Yelled the girl as she waved. " Hi." I said waving back. **Who is this person** I thought " Chidsuru. Hisoka." Kairi said indicating them. I noded my head with gratitude.

I gots nothing else to say... I'll try to make the next chapter longer.

11 - Memory's all back.

I woke up and yawned. I got out of bed then got dressed and walked out. " Good morning Zelda." Said Hinata happily. " G'morning Hinata." I said as I woke up more. " Where's Gaara?" I asked. " He went for a walk by the lake." Hinata said. " Thanks." I said as I walked out of the house. I went to the lake and saw Gaara sitting at the edge of it. " Good morning Gaara." I said as I sat down beside him. " Good morning Zelda." Gaara said smiling. I smiled and looked out over the lake. " Hey there's some otters." I said. I got up and stretched. " C'mon let's get home.. I'm getting hunry and so are Yuna and Keen." I said. Gaara seemed surprised. " I gots my memory back." " That explains it." Gaara said. " And before we go home.. I wanna stop by someone's house." I said. " Ok.' Said Gaara. We went over to Ino's. I knocked on the door. " Who is it?" I heard Ino say. " It's me Zelda." I said. The door opened quickly. " Zelda hi." Ino said. I glared at her. " Cut the cheap talk Ino.. That wasn't nice what you did." I said meanly. " What do you mean?" Ino asked. " I think you're the best? I get you whatever you want when you want. What a lie." I said. Ino went wide eyed as she realized that I got my memory back. " Welp. At least Hinata took me to a HAND ME DOWN store to buy that dress." I said pointing to the one she was wearing. She glared at me and slamed the door in my face. " She's bakc to normal now let's go home." I said as I walked off Gaara quickly followed. When I got home Karolek Kairi Lily and Rose were up. " Good morning you four." I said as I entered the house. " Morning." They said. I smiled and walked over to them.. I gave each of them a kiss good morning. " Good to have you back mom." Kairi said as she gave me a hug. " Nice to have my memory back." I said laughing.
