~Note: I do not own.. yyyh... But I own this poem. ^_^ ty~

We can't blame others when love dwindles away--For we knew from the start it would never promised to stay,
It's just one of those things where the stakes are high
And somethimes it's forever, and somethimes it's good-bye.
When you love the right way, you will never lose--No matter what path in life you choose.

You may end up with tears or a broken heart---

But you knew what you signed up for from the start.

You can only give what you've fought to give---

And if that's not enough then you must continue to live.

Life will go on and broken hearts will heal---

You must continue on your quest, for that's the deal.

Throw your heart into life and never stall---

For you need to continue to grow.

And life isn't alone not to lock away your heart---

Just because life may have forced two people apart.

We will continue to love and continue to lose---

We will continue to pick and countinue to choose.

Then one day we will just risk it all---

Take the chains off our hearts and dismantel the wall.

The last time we love will be forever---

And never again will our hearts be fored to sever.
