1 - song lyrics

my fav song lyrics

1:american witch-rob zombie

body of a monkey and the feet of a cock
dragged from her home on the killing rock
black dog dying on the wheather vain
the devils in the cat and the babies brain
the end-the end of the american
the end- the end of the american
the end- the end of the american witch

alone on the hill and ready to die
cancer of darkness - blacken eye
the mark of the wolf and the sign of the calf
angels bleed down above the raft

we all pray for 20 innocence
we all bow down 20 innocence
we all hang high 20 innocence
we all accused 20 innocence

do you want to know were their dreams come from
some showed the faith and some showed none

we all pray 20 innocence
we all bow down 20 innocence
we all hang high 20 innocence
we all accused 20 innocence

do you want to know were their dreams come from
some showed faith and some showed none

the end- the end of the american witch

2:crazy train-ozzy osbourne

crazy, but thats how it goes
millions of people living as foes
maybe its not to late
to learn how to love
and forget how to hate

mental wounds not healing!
lifes a bitter shame
im going of the rails of a crazy train!

ive listened to preachers
ive listened to foolsive watched all the drop outs
who make their own rules
one person conditioned to rule and control
the media sells it and you have the role

mental wounds still screaming!
driving me insane
im going off the rail of a crazy train!

i know that things are going wrong for me

you gotta listen to my words

yeh-h

heirs of cold war

thats what weve become
inheriting troubles im mentally numb
crazy i just cannot bear
im living with something that just isnt fair

mental wounds not healing
who and whats to blame
im going of the rails of a crazy train
