# 1 - The Heart That Beats The Wrong Way

My mind doesn't work like yours  
I also know it will never be close  
I can't help the way I am  
So story is I am the damned

I'll never be told what to do  
And I sure as hell ain't gonna give in to you  
Your stupidity is getting old  
So if you want I can be cold

I don't know how much more I can take  
From the piercing needles that go through me  
My poetry sucks but it gets me thinkin  
About why there can never be a freak and

I'll never be told what to do  
And I sure as hell ain't gonna give in to you  
Your stupidity is getting old  
So if you want I can be cold  
I'll never be told what to do  
And I sure as hell ain't gonna give in to you  
Your stupidity is getting old  
So if you want I can be cold

I could be  
The worst nightmare you have ever had  
But can't you see  
You will never understand

My mind doesn't work like yours  
I also know it will never be close  
I can't help the way I am  
So story is I am the damned

And this is how I've always been  
I looked it up it ain't a sin  
I am by night and by day  
The heart that beats the wrong way
