1 - here in your arms

Hellogoodbye-Here in your arms

I like,
Where we are,
When we drive,
In your car.
I like,
Where we are;
here.

Cause our lips,
Can touch,
And our cheeks,
Can brush.
Our lips,
Can touch;
here.

You are the one, the one that lies close to me.
Whispers "Hello, I've missed you quite terribly."
I fell in love, in love with you suddenly.
That there's no place else I could be but here in your arms.

I like,
Where you sleep,
When you sleep,
Next to me.
I like,
Where you sleep;
Here.

Our lips,
Can touch,
And our cheeks,
Can brush.
Cause our lips,
Can touch;
here.

You are the one, the one that lies close to me.
Whispers "Hello, I've missed you quite terribly."
I fell in love, in love with you suddenly.

That there's no place else I could be but here in your arms.

Our lips,
Can touch...
Our lips,
Can touch;
here.

You are the one, the one that lies close to me.
Whispers "Hello, I've missed you quite terribly."
I fell in love, in love with you suddenly.
That there's no place else I could be but here in your arms.

You are the one, the one that lies close to me.
Whispers "Hello, I've missed you, I've missed you."
I fell in love, in love with you suddenly.
That there's no place else I could be but here in your arms

Here in your arms
Here in your arms

2 - face down

The Red Jumpsuit Apparatus : "Face Down

Hey girl you know you drive me crazy
one look puts the rhythm in my hand.
Still I'll never understand why you hang around
I see what's going down.

Cover up with make up in the mirror
tell yourself it's never gonna happen again
you cry alone and then he swears he loves you.

Do you feel like a man
when you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to end
as your lies crumble down, a new life she has found.

A pebble in the water makes a ripple effect
every action in this world will bear a consequence
If you wade around forever you will surely drown
I see what's going down.

[Face Down lyrics found on <http://www.completealbumlyrics.com>]

I see the way you go and say your right again,
say your right again
heed my lecture

Do you feel like a man
when you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to end
as your lies crumble down a new life she has.

One day she will tell you that she has had enough
its coming round again.
its coming round again.

Do you feel like a man, when you push her around?
Do you feel better now as she falls to the grown?
Well I'll tell you my friend, one day this world's going to end
as your lies crumble down, a new life she has.

Face down in the dirt she says, this doesn't hurt she says I finally had enough..
Face down in the dirt she says, this doesn't hurt she says I finally had enough..

3 - if everyone cared

Nickelback If Everyone Cared Lyrics

Complimentary If Everyone Cared Ringtone
From underneath the trees, we watch the sky
confusing stars with satellites
I never dreamed that you'd be mine
But here we are, we're here tonight

Singing Amen, I, I'm alive (I'm alive)
Singing Amen, I, I'm alive

[Chorus:]
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

And I'm singing
A, Amen I, Amen I, I'm alive
Amen I, Amen I, Amen I, I'm alive

And in the air the fireflies
Our only light in paradise
would show the world they were wrong
And teach them all to sing along

Singing Amen, I, I'm alive (I'm alive)
Singing A, Amen, I, I'm alive

[Chorus x2]
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

[If Everyone Cared lyrics on <http://www.metrolyrics.com>]

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

When nobody died...
ahh ahh...

And as we lie beneath the stars
We realize how small we are
If they could love like you and me
Imagine what the world could be

[Chorus x2]
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
Then we'd see the day, when nobody died

We'd see the day, we'd see the day
When nobody died...
We'd see the day, we'd see the day
When nobody died...died...!
We'd see the day when nobody died

4 - its not over

Chris Daughtry-Its not over

I was blown away
What could I say
It all seemed to make sence.
Your takin away everything
And I can't do without.

I try to see the good in life.
The good things in life are hard to find.
We're blowin away, blownin away
Can we make this something good?

Well I'll try to do to it right this time around
It's not over,
Try to do it right this time around
It's not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one
It's not over.

I've taken all I can take
And I cannot wait
We're wastin too much time
Bein strong, holdin on
Can't let it bring us down

My life with you means everything
So I won't give up that easily
[It's Not Over lyrics found on <http://www.completealbumlyrics.com>]
Blowin away blowin away
Can make this something good?
Cause it's all misunderstood?

Well I'll try to do to it right this time around
It's not over,
Try to do it right this time around
It's not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one

It's not over.

You can't let this get away
Let it out, let it out
Don't get caught up in yourself
Let it out.

Let's start over
Well try to do to it right this time around
Its not over
But a part of me is dead and in the ground.
This love is killin me
But your the only one
It's not over.

Lets start over
Its not over
This love is killin me
But your the only one
It's not over

5 - ice box

Omarion-Ice Box

Fussin' and fightin', we back at it again
I know that, its my fault, but you don't understand (no)
I got memories, this is crazy
You ain't nothing like the girl I used to know
Good with ma, good with pa, cool with all my niggas
I should try to decide, wanna let u in, but no
That means memories, and its crazy
You ain't nothing like the girl I used to know

[Bridge]

Girl I really wanna work this out, cause I'm tired of fightin'
And I really hope you still want me the way I want you
I said I really wanna work this out, damn girl I'm tryin'
Its no excuse, no excuse
But I got this

[Chorus]

I got this icebox where my heart used to be (but I got this)
I got this icebox where my heart used to be (said I got this)
I'm so cold, I'm so cold, I'm so cold, I'm so cold
I'm so cold, I'm so cold, I'm so cold

Why cant I get it right, just cant let it go
I opened up, she let me down, I wont feel that no more
I got memories, this is crazy
She ain't nothing like the girl I used to know
I don't mean to take it out on you baby but I cant help it
Cause my heart is in the same ol' condition that baby left it
And I, I apologize, for makin' you cry
[Ice Box lyrics found on <http://www.completealbumlyrics.com>]
Look me in my eye and promise you won't do me the same

[Bridge]

Girl I really wanna work this out, cause I'm tired of fightin'
And I really hope you still want me the way I want you
I said I really wanna work this out, damn girl I'm tryin'
Its no excuse, no excuse
But I got this

[Chorus]

I got this icebox where my heart used to be (but I got this)
I got this icebox where my heart used to be (said I got this)
I'm so cold, I'm so cold, I'm so cold, I'm so cold
I'm so cold, I'm so cold, I'm so cold

I don't wanna be stuck up in this cold cold world
Don't wanna mess this up better keep your eye on me girl [3x]

[Bridge]

Girl I really wanna work this out, cause I'm tired of fightin'
And I really hope you still want me the way I want you
I said I really wanna work this out, damn girl I'm tryin'
Its no excuse, no excuse
But I got this

[Chorus]

I got this icebox where my heart used to be (but I got this)
I got this icebox where my heart used to be (said I got this)
I'm so cold, I'm so cold, I'm so cold, I'm so cold
I'm so cold, I'm so cold, I'm so cold

Runaway love

[Verse 1]

Now little lisa is only 9 years old

Shes tryin to figure out why the world is so cold

Why shes all all alone and they never met her family

Mamas always gone and she never met her daddy

Part of her is missin and nobody will listenin

Mama is on drugs gettin high up in the kitchen

Bringin home men at different hours of the night

Startin with laughs--usually endin in a fight

Sneak into her room while her mamas knocked out

Tryin to have his way and little lisa says 'ouch'

She tries to resist but then all he does is beat her

Tries to tell her mom but her mama don't believe her

Lisa is stuck up in the world on her own

Forced to think that hell is a place called home

Nothin else to do but some get some clothes and pack

She says shes bout to run away and never come back.

Alcoholic step dad always wanna strike her
[Runaway Love lyrics found on <http://www.completealbumlyrics.com>]
Yells and abuses, leaves her with some bruises
Teachers ask questions she makin up excuses
Bleedin on the inside, cryin on the out
Its only one girl really knows what she about
Her name is lil stacy and they become friends
Promise that they always be tight til the end
Until one day lil stacy gets shot
A drive by bullet went stray up on her block
Now nicole stuck up in the world on her own
Forced to think that hell is a place called home
Nothin else to do but some get some clothes and pack
She says shes bout to run away and never come back.

Little erica is eleven years old
Shes steady tryin to figure why the world is so cold
So she pops x to get rid of all the pain
Cause shes havin sex with a boy whos sixteen
Emotions run deep and she thinks shes in love
So theres no protection hes usin no glove
Never thinkin bout the consequences of her actions
Livin for today and not tomorrows satisfaction
The days go by and her belly gets big
The father bails out he aint ready for a kid
Knowin her mama will blow it all outta proportion
Plus she lives poor so no money for abortion
Erica is stuck up in the world on her own
Forced to think that hell is a place called home
Nothin else to do but get her clothes and pack
She say shes about to run away and never come back.

[Hook]

Runaway love [repeats til end]

7 - its never to late

Never Too Late-Three days grace

This world will never be
What I expected
And if I don't belong
Who would have guessed it
I will not leave alone
Everything that I own
To make you feel like it's not too late
It's never too late

Even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around
'Cause it's not too late
It's never too late

No one will ever see
This side reflected
And if there's something wrong
Who would have guessed it
And I have left alone
Everything that I own
To make you feel like
It's not too late
It's never too late

Even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around
'Cause it's not too late
It's never too late

The world we knew

Won't come back
The time we've lost
Can't get back
The life we had
Won't be ours again

This world will never be
What I expected
And if I don't belong

Even if I say
It'll be alright
Still I hear you say
You want to end your life
Now and again we try
To just stay alive
Maybe we'll turn it around
'Cause it's not too late
It's never too late
Maybe we'll turn it around
'Cause it's not too late
It's never too late (It's never too late)

8 - pain

Pain three days grace

Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all

You're sick of feeling numb
You're not the only one
I'll take you by the hand
And I'll show you a world that you can understand
This life is filled with hurt
When happiness doesn't work
Trust me and take my hand
When the lights go out you will understand

Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all
Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all

Anger and agony
Are better than misery
Trust me I've got a plan
When the lights go off you will understand

Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all
Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing
Rather feel pain

I know (I know I know I know I know)
That you're wounded

You know (You know you know you know you know)
That I'm here to save you
You know (You know you know you know you know)
I'm always here for you
I know (I know I know I know I know)
That you'll thank me later

Pain, without love
Pain, can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all
Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all
Pain, without love
Pain, I can't get enough
Pain, I like it rough
'Cause I'd rather feel pain than nothing at all
Rather feel pain than nothing at all
Rather feel pain
It's not too late
It's never too late

9 - rockstar

Rockstar Nickelback

I'm through with standing in line
To clubs we'll never get in
It's like the bottom of the ninth
And I'm never gonna win
This life hasn't turned out
Quite the way I want it to be

(Tell me what you want)

I want a brand new house
On an episode of Cribs
And a bathroom I can play baseball in
And a king size tub big enough
For ten plus me

(So what you need?)

I'll need a credit card that's got no limit
And a big black jet with a bedroom in it
Gonna join the mile high club
At thirty-seven thousand feet

(Been there, done that)

I want a new tour bus full of old guitars
My own star on Hollywood Boulevard
Somewhere between Cher and
James Dean is fine for me

(So how you gonna do it?)

I'm gonna trade this life for fortune and fame
I'd even cut my hair and change my name

[Chorus:]

'Cause we all just wanna be big rockstars
And live in hilltop houses driving fifteen cars
The girls come easy and the drugs come cheap
We'll all stay skinny 'cause we just won't eat
And we'll hang out in the coolest bars

In the VIP with the movie stars
Every good gold digger's
Gonna wind up there
Every Playboy bunny
With her bleach blond hair

Hey hey I wanna be a rockstar
Hey hey I wanna be a rockstar

I wanna be great like Elvis without the tassels
Hire eight body guards that love to beat up assholes
Sign a couple autographs
So I can eat my meals for free
(I'll have the quesadilla, uh huh)
I'm gonna dress my @\$
With the latest fashion
Get a front door key to the Playboy mansion
Gonna date a centerfold that loves to
Blow my money for me
(So how you gonna do it?)
I'm gonna trade this life for fortune and fame
I'd even cut my hair and change my name

[Chorus]

And we'll hide out in the private rooms
With the latest dictionary and today's who's who
They'll get you anything with that evil smile
Everybody's got a drug dealer on speed dial

Hey hey I wanna be a rockstar

I'm gonna sing those songs
That offend the censors
Gonna pop my pills from a pez dispenser

I'll get washed-up singers writing all my songs
Lip sync em every night so I don't get 'em wrong

[Chorus]

And we'll hide out in the private rooms
With the latest dictionary and today's who's who
They'll get you anything with that evil smile
Everybody's got a drug dealer on speed dial

Hey hey I wanna be a rockstar

Hey hey I wanna be a rockstar

10 - paralyzer

Paralyzer Finger eleven
I hold on so nervously
To me and my drink
I wish it was cooling me
But so far, has not been good
It's been shooty
And I feel awkward, as I should
This club has got to be
The most pretentious thing
Since I thought you and me
Well I am imagining
A dark lit place
Or your place or my place

Well I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to you

I hold out for one more drink
Before I think
I'm looking too desperately
But so far has not been fun
I should just stay home
If one thing really means one
This club will hopefully
Be closed in three weeks
That would be cool with me
Well I'm still imagining
A dark lit place
Or your place or my place

Well, I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do

You'll probably move right through
Me on my way to you

We'll, I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to you

I'm not paralyzed
But, I seem to be struck by you
I want to make you move
Because you're standing still
If your body matches
What your eyes can do
You'll probably move right through
Me on my way to you

You'll probably move right through
Me on my way to you

You'll probably move right through
Me on my way to you

11 - get stoned

Get Stoned lyrics

Just hear me out
If it's not perfect I'll perfect it till my heart explodes
I highly doubt
I can make it through another of your episodes
Lashing out
One of the petty moves you pull before you lose control
You wear me out
But it's all right now
Lets go home and get stoned
We could end up makin love instead of misery
Go home and get stoned
Cause the sex is so much better when you're mad at me
You wear me out (We could end up making love instead of misery)
But it's all right now
Without a doubt
The break up is worth the make up sex you're givin me
Lets hash it out
Cause your dogin and your yellin don't mean anything
Don't count me out
I can handle all the baggage that you're carrying
You wear me out
But it's all right now
Let's go home and get stoned
We could end up makin love instead of misery
Go home and get stoned
Cause the sex is so much better when you're mad at me
You wear me out (We could end up makin love instead of misery)
But it's alright now
Lets go home and get stoned
We could end up makin love instead of misery
Go home and get stoned
Cause the sex is so much better when you're mad at me
Go home and get stoned
We could end up making love instead of misery
Go home and get stoned
Cause the sex is so much better when you're mad at me
You wear me out
(We could end up makin love instead of misery)
But it's all right now
(Cause the sex is so much better when you're mad at me)

Lets go home and get stoned
Lets go home and get stoned
Lets go home and get stoned
Lets go home and get stoned

12 - i get it

I get it- Chevelle

So you say you're ignored
As it is,
Well, give us your sad, sad trip

You're right, I get it
It all makes sense, you're the perfect person
So right, so wrong
Let's all live in your imaginary life

Assumed it's whether
We're right, or wrong
We're doomed, and there's plenty for all

How dare you catch me counting
How dare you call at all
How dare you call this suffering
How dare you call at all

You're right, I get it
It all makes sense, you're the perfect person
So bright, so wrong
Let's all live in your imaginary life

Press on these tannins
They double in time
The touch of life, once failed to mention so far

Of course the law is fountains
Of face to face remorse
Of fast and restless blackmail
Like pent up fetish force

You're right, I get it
It all makes sense, you're the perfect person
So bright, so wrong
Let's all live in your imaginary life

Do you want it enough?
Do you want it at all?
Should you need it at all?

Takes a man to see
Do you want it enough?
Do you want it at all?
Should you need it at all?
Do you want it or not?

You're right, I get it
It all makes sense, you're the perfect person
So bright, so wrong
Let's all live in your imaginary life

Life, life, life.

13 - life is beautiful

Life Is Beautiful-SIXX am

You can't quit until you try
You can't live until you die
You can't learn to tell the truth
Until you learn to lie

You can't breathe until you choke
You gotta laugh when you're the joke
There's nothing like a funeral to make you feel alive

Just open your eyes
Just open your eyes
And see that life is beautiful.
Will you swear on your life,
That no one will cry at my funeral?

I know some things that you don't
I've done things that you won't
There's nothing like a trail of blood
to find your way back home

I was waiting for my hearse
What came next was so much worse
It took a funeral to make me feel alive

Just open your eyes
Just open your eyes
And see that life is beautiful.
Will you swear on your life,
That no one will cry at my funeral?

Just open your eyes
Just open your eyes
And see that life is beautiful.
Will you swear on your life,
That no one will cry at my funeral?

Just open your eyes
Just open your eyes
And see that life is beautiful.
Will you swear on your life,

That no one will cry at my funeral?

Just open your eyes

Just open your eyes

And see that life is beautiful.

Will you swear on your life,

That no one will cry at my funeral?

14 - fall into sleep

Fall into sleep-Mudvayne

Dreams of earthquakes, dreams of hurricanes, dreams of
The pouring rain, dreams of tidal waves...to wash us all
Away.

Dreams of guns blazed, dreams of fire rage, dreams of
Swollen graves, dreams of
Hollow pain all gone.

No more fallen, no more enemy, no more casualty, no more
Dream.

Fall into sleep! Fall into me! I have a dream but nobody
cares! Nobody wants to listen!

Fall into sleep! Fall into me! Hang onto a dream that
nobody wants! Nobody cares anymore!

Dreams of mourning grief, dreams of disbelief, dreams of
Tragedy.

Dreams of our disease, to take us all away.

Dreams of fidelity, dreams of inner peace, dreams of
Loyalty, dreams of unity, all gone, all gone.

Fall into sleep! Fall into me! I have a dream but nobody
cares! Nobody wants to listen!

Fall into sleep! Fall into me! Hang onto a dream that
nobody wants! Nobody cares anymore!

The angels are injured, fall with broken burning wings,

Are we dead inside? Are we blind?

We can't keep moving forward, backwards with closed eyes,

We're losing sight, all lost inside.

No more fallen, no more enemy.

Fall into sleep! Fall into me! I have a dream but nobody
cares! Nobody wants to listen!

Fall into sleep! Fall into me! Hang onto a dream that
nobody wants! Nobody cares anymore!

Anymore.

All Gone.

15 - king of the stereo

King of the stereo-saliva

Massive, drastic, classic, I'm interactive
You put me in your computer and Ima crash it
My claim to fame is my brain insane
And if the blame is framed then Ima smash it

I'm back again and on a rampage
Spittin' pain and fables onto a new page
Around the corner I'm comin'
There ain't no use in you runnin'
And now I'm pushin' the button into a new age

The whole world is waiting for the
King of the Stereo
This is too damn hot

I think we've proven that history's being made now
I see you suckas got nothin' that you can say now
And all the others who've fallen
With all their fakin' and ballin'
The kitchen's too damn hot for you to stay now

To everybody who's left you better recognize
Throw your hands in the air
And let me see your eyes
It only took one song for you to realize
Click, click, boom, the king is here tonight

The whole world is waiting for the
King of the Stereo
This is too damn hot

16 - every day is exactly the same

Every day is exactly the same-NIN

I believe I can see the future
Cause I repeat the same routine
I think I used to have a purpose
But then again
That might have been a dream
I think I used to have a voice
Now I never make a sound
I just do what I've been told
I really don't want them to come around

Oh, no

[Chorus:]

Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same

I can feel their eyes are watching
In case I lose myself again
Sometimes I think I'm happy here
Sometimes, yet I still pretend
I can't remember how this got started
But I can tell you exactly how it will end

[Chorus]

I'm writing on a little piece of paper
I'm hoping someday you might find
Well I'll hide it behind something
They won't look behind
I'm still inside here
A little bit comes bleeding through
I wish this could have been any other way
But I just don't know, I don't know what else I can do

[Chorus x2]

17 - song with really long name

fall out boy-song wit a really long name

Brothers and sisters put this record down
Take my advice ('cause we are bad news)
We will leave you high and dry
It's not worth the hearing you'll lose

It's just past 8 and I'm feeling young and reckless
The ribbon on my wrist says, "Do not open before Christmas."

We're only liars, but we're the best (we're the best)
We're only good for the latest trend
We're only good cause you can have almost famous friends
Besides, we've got such good fashion sense

Brothers and sisters, yeah, put these words down
Into your notebook (spit lines like these)
We're friends when you're on your knees
Make them dance like we were shooting their feet

It's just past 8 and I'm feeling young and reckless
The ribbon on my wrist says, "Do not open before Christmas."

We're only liars, but we're the best (we're the best)
We're only good for the latest trend
We're only good cause you can have almost famous friends
Besides, we've got such good fashion sense

We're only liars, but we're the best
We're only good for the latest trend

We're only liars, but we're the best
We're only good for the latest trend
We're only good cause you can have almost famous friends
Besides, we've got such good fashion sense

18 - of all the gin joints in all the world

fall out boy- of all the gin joints in all the world

You only hold me up like this
Cause you don't know who I really am
Sometimes I just want to know what it's like to be you
We're making out inside crashed cars
We're sleeping through all our memories
I used to waste my time dreaming of being alive
(now I only waste it dreaming of you)

Turn off the lights and turn off the shyness
Cause all of our moves make up for the silence
And oh, the way your makeup stains my pillowcase
Like I'll never be the same

You only hold me up like this
Cause you don't know who I really am
I used to waste my time on
Waste my time on
Waste my time dreaming of being alive
(now I only waste it dreaming of you)

Turn off the lights and turn off the shyness
Cause all of our moves make up for the silence
And oh, the way your makeup stains my pillowcase
Like I'll never be the same

I've got headaches and bad luck but they couldn't touch you, no
I've got headaches and bad luck but they couldn't touch you, no
I'm not trying
You only hold me up like this

Turn off the lights and turn off the shyness
Cause all of our moves make up for the silence
And oh, the way your makeup stains
Like I'll never be the same

19 - dance, dance

fall out boy-dance,dance

She says she's no good with words but I'm worse
Barely stuttered out
"A joke of a romantic" or stuck to my tongue
Weighed down with words too over-dramatic
Tonight it's "it can't get much worse"
Vs. "no one should ever feel like.."

I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by

[Whispered:] We're going into D-Minor

Dance, Dance
We're falling apart to half time
Dance, Dance
And these are the lives you'd love to lead
Dance, this is the way they'd love
If they knew how misery loved me

You always fold just before you're found out
Drink up its last call
Last resort
But only the first mistake and I...

I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by

Why don't you show me the little bit of spine
You've been saving for his mattress, love

Dance, Dance
We're falling apart to half time
Dance, Dance
And these are the lives you'd love to lead
Dance, this is the way they'd love

If they knew how misery loved me

Why don't you show me the little bit of spine

You've been saving for his mattress (mattress, mattress)

I only want sympathy in the form of you crawling into bed with me

Dance, Dance

We're falling apart to half time

Dance, Dance

And these are the lives you'd love to lead

Dance this is the way they'd love (way they'd love)

Dance this is the way they'd love (way they'd love)

Dance this is the way they'd love

If they knew how misery loved me

Dance, Dance

Dance, Dance

Dance, Dance

Dance, Dance

20 - sugar, were goin down

fall out boy-sugar were goin down

Am I more than you bargained for yet
I've been dying to tell you anything you want to hear
Cause that's just who I am this week
Lie in the grass, next to the mausoleum
I'm just a notch in your bedpost
But you're just a line in a song
(A notch in your bedpost, but you're just a line in a song)

Drop a heart, break a name
We're always sleeping in, and sleeping for the wrong team

We're going down, down in an earlier round
And Sugar, we're going down swinging
I'll be your number one with a bullet
A loaded God complex, cock it and pull it
[x2]

Is this more than you bargained for yet
Oh don't mind me I'm watching you two from the closet
Wishing to be the friction in your jeans
Isn't it messed up how I'm just dying to be him
I'm just a notch in your bedpost
But you're just a line in a song
(Notch in your bedpost, but you're just a line in a song)

Drop a heart, break a name
We're always sleeping in, and sleeping for the wrong team

We're going down, down in an earlier round
And Sugar, we're going down swinging
I'll be your number one with a bullet
A loaded God complex, cock it and pull it
[x2]

Down, down in an earlier round
And Sugar, we're going down swinging
I'll be your number one with a bullet
A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim at myself)

And Sugar, we're going down swinging (Take back what you said)
I'll be your number one with a bullet (Take aim at myself)
A loaded God complex, cock it and pull it

We're going down, down (down, down)
Down, down (down, down)
We're going down, down (down, down)
A loaded God complex, cock it and pull it

We're going down, down in an earlier round (Take aim at myself)
And Sugar, we're going down swinging (Take back what you said)
I'll be your number one with a bullet (Take aim at myself)
A loaded God complex, cock it and pull it
