Flashback..... He remembers the time he used to catch frogs with her and how he played ball with her and how he protected her against bullies....., but he also remembers when he and Sheshomruo left her and their parents when they were 17 and 18 to begin their journey's as men and hoping to come back one day, but that never happened.

Inuyahsa: looks at her and says what happened to you

Kagome:(she is thinking and telling u this) After Inuyasha found out it was his sister and told Kagome and Shippo ran towards the house. Inuyasha tried to block them but he couldn't the girl suprizingly let them in. This is wat they found out. The girl was related to Inuyasha's. Her name is Kiara she is 12 years old soon to be 13 .Since her father is demon she is quater demon ,but suprizingly quater spirit and of course quater human. When she was 11 Narakoo set a fire and killed everyone in the neighborhood. Kiara escape dinto the woods and watched everyone suffered .
