**Chapter 1 - If you love me**

**2**

# 1 - If you love me

If You Love Me  
If you love me  
The way I love you  
The you wouldn't let my heart run dry  
Cause if you love me  
Then you would be with me  
You would dump her  
Cause you don't love me  
You don't care  
You spill my heart  
Just to watch me bleed  
If you love me  
Then you'd be here with me  
You would say you need me  
You wouldn't let me suffer like this  
I've tried to move on but all the guys are snakes  
I've tried so hard to forget you but your memory  
Won't leave me alone  
Then I hear our song on the radio and I can't let go of you  
My tears have flooded my soul and body  
Please baby let her go take me  
I can't help that I had to move so far  
Don't blam me for thier mistakes  
Only if you could see my soul breaking  
Why did you take her over me?  
Was I not good enough?  
Not beautiful enough?  
Not smart enough?  
Did I not love you enough?  
Was I not clear enough?  
Did you not see my love?  
If you loved me you would be with me  
Why can't youu seem my heart?  
How it's bleeding for you?  
Are you blind?  
Or do you not hear my soul?  
Or simpily was I not enough?  
I wish you could see me now  
See my bloodshot eyes  
My scar  
My never ending sorrow  
The way your life easily slides into my head

How my nose won't let your sent go  
I can still hear you voice in my ears  
You spill my heart  
Just to watch me bleed  
If you love me  
Then you'd be here with me  
You would say you need me  
You wouldn't let me suffer like this  
I've tried to move on but all the guys are snakes  
I've tried so hard to forget you but your memory  
Won't leave me alone

Please baby let her go take me  
I can't help that I had to move so far  
Don't blam me for thier mistakes  
Only if you could see my soul breaking  
Why did you take her over me?  
Was I not good enough?  
Not beautiful enough?  
Not smart enough?

If you loved me you would be with me  
Why can't youu seem my heart?  
How it's bleeding for you?

Or simpily was I not enough?  
I wish you could see me now  
See my bloodshot eyes  
My scar  
My never ending sorrow  
The way your life easily slides into my head  
How my nose won't let your sent go  
I can still hear you voice in my ears  
Your jokes  
My eyes can still register your poems  
My hands can still feel yours  
I hope you know this  
My body still can feel your arms around it  
My heart can still feel yours  
If you love me you wouldn't let me be like this  
Your image would let me move on  
Yor scent would leave myb nose alone  
Your hand would let mine go

My eyes would let ur poems be forgotten  
Your jokes would not be in my mind no more  
You say I'm just a close friend then why does my heart still  
Chase you?  
Why does your words stay with me?  
Why does my heart bleed for you?  
Why does your eyes still see mine?  
I wish our instances was like "Misery Bussiness"  
Where she lets you go  
I tell you that your the only one for me  
Where she wants to kill me for being yours  
But sadly your are hers  
If you love me you wouldn't be  
Hers.
