It would attract a lot more Women...you wouldnt have to  
Worry about attracting men!

Said Jack. Eventhough thats not what the hairbrush had initially impllied.  
Jack went out onto the street to serch for someone who would sell him the Hair. But then, he was

Tall, handsome blacksmith named..... LESTAT!! the VAMPIRE BLACKSMITH!!!

Once upon a time, far far away  
A little bird was hit by a wagon  
On his way to the super-market.  
His family mourned thier loss...they were very sad  
but then he was magically revived and everyone was happy again, expept for the guy that rolled him over,  
because it was intentional.

The birds name was Lavasious. Lavasious was hated be they man...whos name was LESTAT! (omg yes)

Lestat wanted to drink Lavasious' blood because it would make him imortal....little did he know that he is ALREADY imortal!

So, saddened, Lestat ran away to rekindle his romantic relationship with Dorian Grey.

(even though they are played by the same person in the movies.... :D (stuart townsend is soooooooooo hott!))
