1 - Stalker part-1

Stalker part-1

My cousin Mia came over my house one day.
When she got over we called my friend Jason.
She doesn't really like Jason so she was mean to him.
Mia and I decided to go to the store.
I told Jason we were going and I would call him back.
He asked if he could come with us.
I said no and that Mia and I just want to hang out on our own.
He asked again and Mia told him no and hung up.
While we were getting ready to go Jason called my phone over 15 times.
The calls were all coming from his house phone and he lives atleast 10 minutes away.
We left and went downstairs, when we got on the porch we saw a guy walking up the other side
of my street. Mia asked if it was Jason and I said I wasn't sure.
As we walked I glanced over at the guy and relized it was Jason.
I told Mia it was Jason and we both got really scared.
Jason kept looking at us and we turned around to look at him a few times.
When we got to the end of the street we ran to another street.
Jason followed us.
We freaked out and ran behind someones house but Jason followed us there.
We acted like he wasn't there until we couldn't hide who we were.

2 - Stalker part-2

We slowly turned around.

Jason asked us why we ran.

I told him that he wasn't invited to hang out with us.

Mia told him to go away, he didn't.

They started to argue until I stepped in.

I told Jason that he needed to leave us alone.

I told him to go home but he refused.

I started to get mad and so did Mia, so Mia and I walked away. Jason followed us.

He started to bug me so I walked up my street and told him to go home.

He started to argue with me but I wouldn't let him.

Mia and I told him that he was not going to the store with us.

We never invited him and he shouldn't have followed us. So he finally left.

Mia was happy that he was gone so we started walking to the store again.

As we walked down the street we talked about what a jerk Jason is.

Suddenly someone appears behind us out of nowhere!

3 - Stalker part-3

We turned around and saw Jason standing right behind us.

Mia and I got a little scared but it went away when I told Jason to back off.

I couldn't let him know I was scared. He started to protest being uninvited but Mia wouldn't let him.

He kept bugging us. I told him we would meet him at his house after we went to the store. He finally left after I assured him six times that we would come over. When he left my cousin and I finally got to the store. I felt someone was watching us but I didn't pay any attention to it. Mia asked me if we really were going over Jason's house, I said no.

We went to three stores then walked to my house.

When we got there we were surprised and scared to see someone sitting on my porch waiting for us.
