Something wierd is happening.Kagome is thinking about telling InuYasha how she feels, Sesshomaru is coming along saying something about sisters, which InuYasha finds out he has two sisters, Koga comes to tell Kagome that they're 'not meant to be', an

1 - Wierd happenings

The bright sunlight gathered it's rays all over Tokyo. Kagome Higarashi was sleeping away peacefully. She was dreaming of Naraku coming to her time. "no...no, not the cheese..." she said as she rolled over in her sleep. Then Kagome sprung up and yelled "NO MORE GRAVY!" as she fell off her bed. "Oh," said the middle-schooler, rubbing her head. "It was just a dream.." She looked outside her window and thought *I hope that never really happens.what if InuYasha comes to late? or doesn't come at all? Or Naraku kills him..or-!* She stopped her rousing for a moment. *Why am i blabbing about what happens to InuYasha?!* Kagome sighed as she looked up. *Maybe it's about time to tell InuYasha how i feel.. But what about Kikyo?! i keep getting these e-mails from this strange little girl telling me to forget about Kikyo and tell him.. Maybe she's right...* Kagome stood up and walked downstairs, where her family was eating.

"Kagome?" asked her grandfather. "Where are you going?"

Kagome picked up her huge bag. "I'm going to the Fudal Era now. bye!" her family waved as she stepped outside walking toward the mini-well shrine.

Remember me? I'm Kagome Higarashi. Recently, i was pulled down the well in our shrine by a demon called Mistress Centipede. There was this boy, InuYasha, pinned to a tree! I somehow set him free; when something called the Shikon Jewel came out of me. It can give any owner of it amazing powers! InuYasha wants it to turn into a full fledge demon like his father. I accidentally broke the jewel, which shattered into many pieces. Now me, InuYasha, a demon slayer named Sango, her faithful companion Kirara, a lecherous monk named Miroku, and a young fox demon named Shippo, have to find all the jewel shards and defeat an evil demon named Naraku. So, my life is anything but ordinary. Kagome sighed heavily as she jumped down the bone-eaters well. She climbed back up to see only InuYasha sitting not very far by. *This is my chance.* Kagome thought skeptically. *My chance to finally tell InuYasha how i feel.* "Um....InuYasha."

InuYasha looked over at Kagome. "Oh hi, what's up?"

Kagome's whole face turned red. "InuYasha i've got something to tell you..."

InuYasha straitened his back. "What?" He noticed Kagome's red face. "Hey, why are you all red? It's not hot here....."

You're wrong... EEEP!? WHAT AM I THINKING?! Kagome calmed down. "InuYasha, we've-"

They heard giggles from the bushes beside them. InuYasha got up and punched the bushes a number of times.

"OW!" the bushes cried out loudly. Shippo poked his head out from the bushes, big bumps planted on his head. "InuYasha!'

InuYasha shrugged and looked over at Kagome. "Eh, it's just the carrot-top brat." For the first time, Kagome giggled at what InuYasha said. "Err, Kagome?"

Kagome stopped idmetitatly as the half demon and young full demon looked at her. "Um...it was random." She laughed a very fake laugh.

InuYasha walked over to her and slapped her back. "Ok, Kagome is out of commission. What should we do with her now?"

Kagome's whole body turned red and she felt very hot. *He's touching me!!!!* Kagome felt really dizzy. The world she knew was fading away. She could hear someone repeating "Kagome, what's wrong? kagome!" Then she blacked out.

Moments later, Kagome opened her eyes and everything was blurry for a minute. When her vision worked again, she saw Shippo standing over her. "kagome! You're awake!That's great!"

InuYasha walked over to her. "kagome!"

Sango sat beside Kagome. "What happened?"

InuYasha looked over at Sango and said, "i was just touching her back, and she fainted." Everyone looked at the middle-schooler akwardly. Kagome felt really stupid.

"Um, I was just really tired yesterday from all that stuff i did at school, you know lots of homework!" she said as Miroku walked over to them and raised his eyebrows. He overheard and somehow knew stuff.

"Ah, Kagome lo-"

Before the monk could finish, Kagome sprung up and slapped her hand on his mouth. She silently murmured to him, "Be quiet." Everyone was really confused with Kagome. She just gave them her fake-scary smile.

"NO NO GET AWAY!!!" In a forest far away from InuYasha and the others, a human woman was running away from a demon. The demon-er, demons- were running really fast. The first one she saw was taller than the other, with dog ears, long thick silver hair, markings on her face, and a wolf tail. The other one looked quite similliar, except she was shorter. "No, please, don't kill me!" The women cried as she ran. The taller demon ran faster and took a swipe. SPLOOSH! Blood scattered across the ground as the women fell to the ground. The small demon went over to the older one. "Is it InuYasha?"

"No, fool",said the other demon licking blood from her long claws. "InuYasha is a half demon. This is just a pityful human." They ran off looking for InuYasha.

Somewhere, far away from the two demons, InuYasha, Kagome and the others were sitting down still thinking about what Kagome did earlier. Kagome was sitting a bit far away from them. She was feeling really foolish.

"Sesshomaru!"

Kagome sprung up at InuYasha's very loud voice. "Sesshomaru?"

Indeed, a demon stood in front of them, with long silver hair, pointy ears, a fluffy thing around his shoulder, and two swords. It was Sesshomaru, InuYasha's older half brother. He looked at InuYasha with a cold look in his eyes. "InuYasha,"said Sesshomaru. "Your sisters will be after you. I won't let them kill you.." He started to walk away from a shocked Inu. But before he went out of sight, Sesshomaru turned around to see InuYasha. "Because i will be the one to kill you." The full demon walked away silently and calmly.

InuYasha grolwed, "Feh, sisters? I don't have any sisters." His ears suddenly twitched. The half demon turned around to see a little puppy. Kagome zipped over to it so fast InuYasha couldn't see her.

"Awwww!!!!" cried Kagome as she picked up the puppy and squeezed it. "You're so cuuuuute!!!!!"

*Can't....breath....*Thought the puppy, who was actually one of those demons earlier, who's name is InuKura. She jumped out of Kagome's arms and went in front of InuYasha, barking. "WOOF! WOOF! WOOF!" InuYasha looked down at her and sighed.

"Stupid muttface."

Everyone looked over to see the owner of the voice, Koga. InuYasha growled and took hold of his Tetsusaiga. "What do you want wolf?"

"Shut up, mutt!" cried the wolf demon walking over to Kagome. "I have to tell Kagome something." He took hold of Kagome's hands and sighed. "Kagome, we've been together for some time, but there is another in my life. We were never meant to be. Bye, my Kagome." And after that, he went in his tornado and zipped away. Everyone was silent. InuYasha silently whispered "yes". The puppy broke the silence

when she barked at InuYasha. He growled at it.

Meanwhile, Miroku and Sango were whispering about what Koga just did. "Who do you think Koga dumped Kagome for?" asked Sango

Miroku looked up. "i don't know, but she's got to be a real beauty." Shippo sighed wearliy as Sango made her "death" look at Miroku.

SLAAAAAP!!! Miroku cringed as Sango slammed her hand against his cheeck. He looked at her, shocked. He didn't do anything to her! The demon slayer blew something off her hand as her two-tailed demon cat Kirara purred next to her. Sango pointed to where the thing on her blew away. "It was a misquito." Miroku rubbed his new handprint on his cheeck.

Time later, everyone was walking with the puppy not far behind. InuYasha was really purturbed. *Why do we have to drag this dog around...* They came to a fork in the road. "It's your cue Miroku," said InuYasha. Miroku put his staff down(you see, he does this thing were he spins his staff, or something like that, and then whatever way it's going, he goes that way) and- "HELP A DEMON!!! DEMONS!!!!" Everyone turned their heads. There was two humans running toward a village in the right direction.

"Run! Two demons are coming!" InuYasha took out his Tetsusaiga. "Now this is what i'm talking about!" He ran in the direction of the villagers.

"InuYasha!!! cried Kagome. The middle schooler was just about to run after him when she noticed the puppy was gone..

InuYasha ran into the village to see a tall demon and a short demon. "Hey!"

The taller one looked at him first with sharp yellow eyes. InuYasha froze at the sight of her. She looked exactly like him! The smaller demon stopped and looked at InuYasha, claws dripping with blood.

InuYasha shook his head and said "Look, i don't know who you are, but i'm not letting you two go on with your killing frenzy."

The taller demon chuckled lightly. "InuYasha, I presume?"

"Depends who's asking."

"I'm InuYura," declared the tall demon. "I'm your half sister, InuYasha. And this is-"

Before InuYura could finish, the younger one jumped on InuYasha and cried "INUKURA! HI HI HI HI HI HI HI HI HI HI HI HI HI HI HI HI!!!!!" She jumped off InuYasha and went over to InuYura.

The older demon sighed. "Yes, and this is InuKura, me and InuKura are younger sisters of you." She took out a sword that looked like Tetsusaiga. "I assume you met Sesshomaru, our older brother. We're like him. Also out to get you."

InuYasha pointed his Tetsusaiga at her. "You talk big, but i don't believe you can back it up! Younger sister." He ran toward her and swung Tetsusaiga. "WIND SCAR!"

InuYura put her Tetsusaiga in front of her, making the Wind Scar go around her and InuKura. "Feh, InuYasha, how weak you are! My Wind Scar is stronger than your Backlash Wave! Huh?" *suck suck suck* SMACK! The full demon smacked something on her neck. A flattened Myoga was on her hand. "Myoga?" asked InuYasha. "What are you doing here?"

Myoga jumped over to InuYasha landing on his nose. "Lord InuYasha, you must not fight InuYura! She may be younger but do not forget she is all demon! She is much stronger!"

InuYura sighed where she stood. "Cut this stuff and start fighting InuYasha!"

The half demon growled at her. He ran at her, with Myoga hanging of his hair. "No, please Lord InuYasha!"

"InuYasha!!!" cried Kagome from not very far away.She,Miroku, Sango, and Shippo were riding on Kirara as she flew toward them.

InuYura ran toward InuYasha yelling, "InuKura!! Take care of InuYasha's friends!"

"Ai!" shouted InuKura, running toward Kirara as the cat demon growled and hissed.

InuYura and InuYasha's Tetsusaiga's clashed together.......

2 - Naraku Attacks!

Intro: Last time, Kagome thought of telling InuYasha how she feels, but is interupted by InuYasha's younger half sisters, InuKura and InuYura. Know InuKura is after Kagome,Sango, Miroku, Shippo and Kirara,as InuYura fights InuYasha(last sentence: InuYura and InuYasha's Tetsusaiga's clashed together…)

…..InuYura and InuYasha growled at each other menacingly as their Tetsusaiga's repelled off each other's, causing them to go flying. Meanwhile, InuKura wasn't having troubles- but the rest of the group was. Kagome kept shooting arrows at InuKura, who was dodging at the same speed at Sesshomaru. Sango would through her Hirakotsu at the demon, who also dodged, while Miroku and Shippo were wating for their turn. Finally, Sango looked back at Miroku and nodded. Miroku nodded back and ran over to them.

``Everyone stay back!'' Miroku shouted as he started to unravel the beads on his hand. ``WIND TUNNEL!!'' Right then, a big gust of wind-from Miroku's hand- starting sucking up everything in it's path.

``What the-!?'' InuKura was being pulled into the black hole. But, she took something from her sheath- a Tetsusaiga, which in fact was a 100 times bigger then her. She dug it into the ground and held onto it, making the bottom part of her body rise, but the rest was pushing against the Tetsusaiga.

Miroku cringed a bit, starting to walk a little towards her.

InuKura smiled. ``You can't suck me into your…thing!'' The young demon opened her mouth and something came out…something that looked like bees… something like- the Samiyosho!

``What? Samiyosho?!'' Miroku quickly covered his hand from the poisonous insects, while thinking deeply. The samiyosho are Naraku's spawn.

Speaking of Naraku….. Miroku noticed something overhead…a feather.. like Kagura's!

And it was Kagura, who snatched InuKura and her Tetsusaiga.

``Hey!'' screamed InuKura, kicking and shoving. ``LEMME GO LEMME GO!''

Kagura punched her arm. ``Shut up!''

``INUYURA!!!!'' InuKura screamed her lungs out. InuYura's ears twitched as she looked up.

``InuKura!'' Right away the older demon jumped up running after Kagura and InuKura.

``Hey!'' yelled InuYasha, ``We still have a-!'' He was interrupted by Miroku, who said ``InuYasha, when we were battling InuKura, the samiyosho came out of her mouth.'' InuYasha's eyes widened.

``InuYasha are you all right?'' Kagome came running with Sango and Kirara. InuYasha nodded, but Kagome looked worried. ``Shippo is missing InuYasha!''

And so, they all went looking for InuKura, InuYura, and Shippo, confused as ever.

***

Meanwhile, at Naraku's castle, everything was quiet. Shippo was knocked out, in a hut of some sort, with InuKura beside him. There was no Kagura, no InuYura in sight. InuKura was watching Shippo silently, starting to get impatient. She sat up straight and sighed, tossing and turning. Then she couldn't take it anymore. She stood up right in front of Shippo and…

``WAKE UPPPPPPPP!!!!!!!!!!!!''

Shippo's eye's popped open. He got up groggily, took one look at InuKura, and screamed, ``Get away from me! You're working with Naraku!''

InuKura looked puzzled. She didn't know who Naraku is. ``Naraku?'' Shippo was just about to say something when InuKura said ``Hey, you're a friend of InuYasha! You're evil too!'

Now Shippo was the one confused. ``Evil? I'm not evil I'm innocent. InuYasha's not evil either. We thought you were evil like Sesshomaru!''

``Uhhhh, Sesshy is not evil!'' InuKura looked at Shippo stearnly. ``And number two, I don't work with this Naraku fellow!''

Shippo sighed and looked beside him at a scroll. *What's that?* He wondered. He picked it up and it said:

Naraku Narku took me and this Shippo guy as hostage.... This is crazyi mean, i can't do anything with Shippo here. I heard that monk guy saythati can shoot out something called the samioyosho. Is that those bugs that come out of my mouth... i wdoner how this workds... oh well, i'm getting impatient, so...... um.... i;m gonna wake shippi up. And then i'm gonna do something to get myself ouitta here! I I WANNE SEE INUYURA AGAIN!!! I MISS INUYURA! *sniff* I really miss my plder sister. and soon, we're gonna kill inuyasha because he's evil, Sesshomaru told us so......
InuKura

Shippo just stared at this gibberish, really confused, not knowing what any of is meant. He looked at InuKura, then the paper, and looked back at InuKura. ``Um,' he started, ``What does this say?''

InuKura looked at it and read ``Naraku Narku took me and this Shippo guy as hostage.... This is crazy I mean, i can't do anything with Shippo here. I heard that monk guy say that i can shoot out something called the samioyosho. Is that those bugs that come out of my mouth... i wdoner how this workds... oh well, i'm getting impatient, so...... um.... I'm gonna wake shippo up. And then I'm gonna do something to get myself outta here! I I WANNE SEE INUYURA AGAIN!!! I MISS INUYURA! *sniff* I really miss my plder sister. and soon, we're gonna kill inuyasha because he's evil, Sesshomaru told us so......
InuKura''

Shippo stared at InuKura, nodding lightly. There was a big, unsettling silence. Shippo and InuKura sat beside each other, wondering how do get out of Naraku's castle. Shippo looked around the small hut-and finally found something that seemed like a door. The young fox child sprang up with yelp of glee, running to the door.

InuKura ran after him. "Where are you going Shippo?"

Shippo pointed at the door, saying,"Don't you see it?!It's a door, we can get out!"

InuKura stared at that spot where Shippo was pointing, clearly confused, not able to see the door. But, after a while, she finally saw it. Straightening up, the dog demon blushed, embaressed. Shippo just sighed, starting to open the door. But when he did, all Shippo saw was a bunch of demons looking at him, charging.

"AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA
AAAAAAAAA!!!!!!!!!!" Shippo screamed. InuKura just took out her sword, put it up and-BAM!- fell right
over by it's weight. Shippo looked at the sword, thinking that it looks just like the Tetsusaiga.One of the
demons flew over at Shippo bellowing,"DIE!!!!!!"

The kitsune demon thought it was all over when- "WIND SCAR!" A big blast hit the demons, sending
them away. Shippo opened his eyes to see InuYasha, Kagome, and the others running over. His eyes lit
up.

"InuYasha! Kagome!" He ran over to them. InuKura finally managed to put the Tetsusaiga back in the
sheath, in time to see InuYasha come over to her and pick her up.

"You're working with Naraku, right?" InuYasha asked sternly. InuKura looked at him with big, curious
eyes.

"Hey, InuYasha, I can't believe we're related. You're too ugly to be my half brother,'' she said so plainly
and calmly. That was it ! InuYasha was getting really mad! He was just about to whack her when Shippo
jumped on him.

"InuYasha, InuKura and InuYura aren't working for Naraku! They're good! They thought WE were evil!
That's why they were attacking us!"Shippo explained. InuKura nodded, meaning it was true.

The hanyou blinked at him, and nodded. But he quickly snuck a glare at InuKura, telling her that he was
still watching her. Then InuYasha thought for a moment. "If your not with Naraku,"he said, gesturing
toward InuKura," Then how can the samiyosho come out of your mouth?"

InuKura shrugged. "I dunno."

InuYasha stared at her for a second, then looked back at Naraku's castle. Suddenly, Kagome yelled out
"I sense a sacred jewel shard!"

Everyone turned to the castle to see someone coming out of it. It wasn't Naraku though. It was Kohaku.
Sango's eyes widened.

"Kohaku?!"

The boy stared at her, took out his chain, and threw it.
