This is a poem I decided to do because my friend asked me what love was (not saying who) because she said that I was really good at describing really hard things in a simple way ^^

1 - What is Love

What is Love?

Love is when you spend every waking moment thinking of them,
You try to tell them.
But every time you try,
You can't, and in frustration you cry.
They get hurt in your dreams,
And people hear your screams.
You can be yourself in their presence,
And want to shower them with presents.
You get really close to them without knowing it,
And even spend time picking out your outfit.
You smile a lot,
And laugh a lot.
And you try not to be mean,
While waiting for the perfect time to spill the beans.
And if you are successful,
And your heart is pure and full.
When you say the 3 fateful words which is so hard to do,
They'll go out with you!
