True Love

I always thought true love was just a myth another fairy tale until I saw it in your eyes a love so deep and true ,and now here's a gift from me to you, a gift from my heart that no one else can give, I know I don't deserve someone as special as you but I just cant help it I'm in love with you, everything about you I love so much from the way you hold me all the way to your gentle touch, you treat me with kindness like no one has before, and make me feel something I've never felt before, I feel safe when you hold me, I feel love when you kiss me and so much more, I don't know what I'm feeling but I do know that this gift from my heart is only meant for you, I never thought that this kind of love would end like a fairy tale with a happy ever after, this kind of love is not a myth or a fairy tale, it's real and true just like my love for you.
