Chapter 1 - water meets fier	2
Chapter 2 - A misshion	3

1 - water meets fier

Look!, Dolly i don't care !!! ... don't care.don't care you want to drink and drink like threes an unlimited supply u no what that is just horrible. nova smith and mercury Jones report to the office now !!!!! aghhh not again ! you ladies must not fight.. were sorry principle mystro it wont happen again.. of course it will you ll get mad at me for doing something to are drinkable water you just need to let it go you cant change the invariant !!!! you shouldn't say that!! that's it I'm going to take you down agghhh!!!! NOOOOOOO!!!!!!!!!!!!!!!!!!!!!!!!!!!! STOP YOU TO NOW!!!! both of you stop or you ll have double of the demerits I'm going to give you. fine! yes principle mystro. now if i must i will assign you both a wather. now you each get 5 demerits.. yes principle mystro . WHAT THAT IS SO unfair!!!! she should get more like 20 getting in my way of drinking water!!!! Young lady stop. and enough with the young lady aghh!!!! Stop making fun of the principle.. she is just doing her job. Yay right making my life miserable some heck of a job! Nova you leave me no choice you are suspended for 2 days to loosens up. Lossen up lossen up Yay right like that is possibel with you around. out now!!! Nice one nova. Yay 2 days off of school ^_^ what to do.. YOUR HAPPY! that goes on your permint record

2 - A mission

Young one you have learned how to control air very well. yes i no but why am i the only one. Your not. What? there are others that control the elements. WHAT?!?! WERE?!?!?!?! They are going to schools but not all of them control air your the only one. we have been able to track down some of them but we live in a dark age for some odd reason more elements have been activated. tomorrow you will start your quest to the Earth benders. OK
