## 1 - Poem 1-Will you hold me?

I wonder  
Looking out the stars scattered across the sky  
Are you looking at the same time  
They shine gathering to the bright moon  
Touching the glass, I wonder

Do you feel the same.  
Do you feel the same.

I wish to hold you tight  
Feel the warmth of your heart spread through me

The sky so dark, so cold  
I wonder will you be my sun  
The harsh winds brush though me  
The cold. is nothing.  
The cold. is nothing.

To the loneliness that I feel.

Will you hold me  
Hold me tight  
My cold soul frozen from love and dying inside  
Will you hold me please?

The tears fall  
My own rainstorm with my own home  
They call for you  
Soaking my face I crumble  
Wishing for your hand  
Searching for your eyes to see me

Will you hold me ?  
Even if only for tonight.
