1 - New Friend

Mira walked slowly to Sakura's door. As she stepped to ring the doorbell, a girl flew out the window. "Too late", she thought to herself, "I will be waiting for her when she gets back." With that thought, Mira transformed into a sparrow and flew to the room. Moments later sakura flew back and noticed the bird. "Who are you?" Sakura said. "I sense something strong in that bird." Kiro replied. "Well if you must know", the bird screeched, "I am a harpie and a very good one at that." The bird transformed into a 5 foot 6 woman, with brown hair, green eyes and wings coming out of her back. "Stand back" Sakura said. Sakura then pulled out a card and her wand.

2 - Explanation

"Try that trick on me and you will be lucky you would be breathing." Mira shouted. Sakura put her stuff slowly back. "Tell me your name and what is an harpie." Sakura asked. "Fine" Mira replied. " My name is Mira Kishimoto. A harpie is an women with a bird body, but those are the bad ones. Good harpies have six wings that come from their back. They are able to control wind, birds and become birds. Is that enough of an explanation for you." Mira said. Sakura nodded. Kiro asked" Why are you here?" "Oh I almost forgot." " I came here because Cloud instructed it" Mira replied. Kiro eyes grew wide. "Cloud has been dead for years, but how?" He thought

3 - Help

"You look surprise Kero." Mira said. "I am, I thought Cloud was dead. I watched him die." Kero replied. "Well then he fooled ya" Mira shouted. "Why would he send you anyway." This time Sakura spoke. "He told me you would need help." Mira answered. Just then there was a knock on the door. "You two better hide fast," Sakura said. Mira transformed into a sparrow and Kero pretended to be a fool. "Hey monster let me in." a voice from the other side called. "Fine" Sakura replied. It was her brother. "I thought I heard voices." he said. "Nope, there is no one else here." Sakura replied. He walked out of the room. Kero flew from his place and Mira came in and transformed. "You know, he's kinda cute." Mira said. "So what are going to do?" Sakura asked. "Help of course." Mira replied.

4 - New girl at school

The very next day at Toya's school(Sakura's brother) there was an announcement about a new student. "Class I would like to introduce to you Mira Kishimoto." The teacher said. Toya sensed something magical about her but couldn't put his finger on it. After class, Toya had stopped Mira in the hallway to talk. "So you're the new girl? Well my name is Toya." Toya said. "Thanks for introduction. As you know my name is Mira. Mira said. She was about to walk off when Toya stopped her again. "I know you're knew and everything, but may i show you the town?" He asked at the same time blushing. "Yes." was Mira's reply. Finally did she walk off to home. Toya sighed in relief and went home too, to prepare for the date.
