Chapter 1 - Brutal love

2

1 - Brutal love

(Short band solo)

*We are more than they see
We are what we need
We balance out each other
Per-fect-ly!*

*You stab me with your words
I bruise you with my fists
Because we know its what we need
To keep on fighting this!*

*We motivate each other
To stand ta-ll!
We motivate each other
To fight it a-all!
We're always together
Never alone
We look like enemies
But there is more to-o see!*

*You have my back I have yours
No questions asked anymore
It's just the way the dove flies
Brutal love in our eyes*

*I've taken bullets for you
You've taken bullets for me
We will protect each other but they may never see!*

*We are more than they see
We are what we need
We balance out each other
Per-fect-ly!*

*You stab me with your words
I bruise you with my fists
Because we know its what we need
To keep on fighting this!*

*We motivate each other
To stand ta-ll!*

*We motivate each other
To fight it a-all!
We are always together
Never alone
We look like enemies
But there is more to-o see!*

*You have my back I have yours
No questions asked anymore
It's just the way the dove flies
Brutal love in our eyes*

*No they will never get it
Hell they may never see it
But what we share is ours alone
Burning right down to the bone!*

(Short band solo)

*You order me when we're alone
To stay out of memories old
I tell you to just shut it
And to leave it in the pit!*

*When you're too fierce I fight back
I scream and claw and attack
We know you can't fight me off alone but you stand there
Just like before!!!!*

(Long guitar solo)

Brutal love in our eyes!!!!

*You have my back I have yours
No questions asked anymore
It's just the way the dove flies
Brutal love in our eyes!*

*No they will never get it
Hell they may never see it
But what we share is ours alone
Burning right down to the bone!*

Brutal love in our eyes

Brutal love in our eyes!
