## 1 - poems

why do you pull me back when I push away  
why do you pick me up when i fall  
why do you get back up when i push u down  
why do you exsept me when i tell u not to  
why do you hold me back when i try to run  
is this what love feels like  
exseptens

even tho you tell me not to i still worry  
even tho you say go away i still want to be close  
even tho you try to hid them i still can see ur feelings  
even tho you fight i still hold you close  
even tho you tell me that you hate me I can see another feeling in your eyes  
you may try to push me away  
but no mater how hard you try i'll still love you
