# 1 - Untitled

Find faith in lost memories  
Fly on broken wings  
Run for cloudy skies  
When sunlight fades  
Scream into an empty soul  
Part the sea and drown  
Victim of danger's seduction  
Being drawn by thirst for blood  
Like angels with torn halos  
Cast to hell in redemption  
And demons chased from Satan  
In darker sins of good  
Take my hand and pull me  
So I may follow into death  
The lingering silence  
And kiss the sky
