A poem of mine I wrote a little while ago. Kinda depressing, but also gives a little hope.

Chapter 1 - Fallen Angel

2

1 - Fallen Angel

The evil of this world penetrates my soul
The darkness envelops my heart
My mind clouded by immorality

Deep in my heart
Where a bright light once shone
Has finally been put out
As I fall into a dark abyss

What happened to me?

The once happy child
Now falls to a watery grave of depression

I can't fly away...

The white wings I once bore,
Are no longer there
They've been torn off
For now I bare ugly black wings
Stained with my blood,
As they emerged from my back
I look at the pathetic feathers
This is what I've become...

"I never wanted this", I cry
Then I think back to all I have done
And realize
This is what I asked for
Though the words never passed my lips
I had still somehow asked for it

Everything I had done,
And had been done to me
Was like a knife to my heart

I let myself go,
Let the blood and pain surround me,
Let the darkness surround me...

The a hand plunges towards me
Shining like the sun

It pulls me up,
Out of the murky waters of despair

The one who owns the hand holds me close
I thought no one cared about me
Evidently I was wrong

I look up at him
Tears in my eyes
I see that he bares the white wings of an innocent
I ask him a single question...

"How can you love a fallen angel?"
