I wrote this awhile back, I just recently found it while digging through all my papers. I don't no where I got the notion to write this, They always seem to be about finding someone or trying to reach to someone, Ah well just a bit odd that's all!! I think I remember when I wrote this, I was..... 13 then I think? I just wrote it out of the blue. Anyway R&R!

"A Silent Call"

I hear my name called, yet I see no caller. I feel love, Yet there is no lover. I cry, Yet there is no shoulder.
I call Out, Yet there is no voice, Nothing. Silence. A whisper that wants to scream, Scream your name!
Yet there is no name.....That I hear is yours to call.....
