Chapter 1 - Lost

1 - Lost

I am lost
surrounded by nothing
to dark to see
I am so cold
I've lost all hope and belief

But I look in my heart
and I see a light
so bright and warm
I can see...

...My family and friends
I am not lost anymore
I have been found
because I held on and believed.

Yes yes yes I know this sucks but i was drepressed cuase i don't have a boyfriend and all that stuff, but then i saw a light in my life, i don't to be depressed cause i don't have a boyfriend, because I got wonderful friends and they love me!
