1 - And I Waited

And I Waited for you in the hot summer day's and the windy night's and the rainy day's. I went to my garden and picked your favorite flower's, and i'll look up to the sky and wonder were you are. and then i'd play do you love me or not then i'd wait for you and wait and wait and wait antell i see you again but the only time i can see you is in my dream's.
