All the girls in the class room but jordan:"Susuke beat him up!" All the girls yelled while jordan gleared at everyone in the class room crossing her arm's. A boy pushed naruto by accendient makeing the two boys kiss each other. All the girl's eye's almost popped out with jordan blinked and bursted out laughing.

Susuke:"Naruto i'm going to kill you!" Sasuke yelled. All the girls beat up naruto which made jordan laugh more.

Iruka: "Starting today you are all offical ninjas but...you are all still new genining it's going to get harder from here. you will be in a group of three where you will accompilsh missions under a jouin teacher." Iruka said calmly.

Jordan:"wonder who would pair up with me?" Jordan said to her slfe looking up.

Iruka:"we've arranged the groups such that overall obilitise are equivatert. I will now aunounes them." Iruka said then took out a papper reading each name and group that parson would be in. "Next 7th group Naruto Uzumaki, Sakura Haruno and Susuke Uchiha."

Jordan:"emo...and please I had a hard bad day" Jordan sighed more salking.

Naruto:"why is the sensei of are team so danm late?! all the other teams have gone off with thier new

teachers." Naruto said looking out the door.

Jordan:"Don't remind me..." Jordan said.

Naruto:"and Iruka sensei left to..." Naruto sighed then walked over to the chalk board to grab the eraser he set it on top of the door for a booby trap.

Sasuke:"like a jounin is going to fall for such a simple trap." After sasuke said there new sensei walked in to the room the eraser hit his head.

Naruto:"you fell for it! you fell for it!" Naruto said pointing at him.

Sakura:"i...i'm so sorry sensei!" Sakura said. (suck up, keep reading.)

kakashi:"Hmm,how shall i say this? my first impression is...well i don't like you guys" He said then while the others looked down.

Jordan: Jordan on the other hand was shocked to see there sensei was so erm....good looking she blinked and only one word came to mind. *"Please let him pick me"*

kakashi:"okay let's begin with some introductions"

Jordan:"Introductions?" Jordan asked.

kakashi:"How about your likes...your dislikes?Dreams, hobbies....well stuff like that."

Naruto:"hey hey,why don't you introduce yourself to us first?" Naruto asked.

kakashi:"Me? my name is kakashi hatake i have no desire to tell you my likes and dislikes...Dreams? eh hmmm...well i have lots of hobbies now it's your turn.you first."

Naruto:"me me!!! my name is naruto uzumaki! i like ramen!what I dislike is waiting the three minutes for the cup to cook my hobby is eating ramen and my dream is to surpass hokage! and have all the people in this village acknowledge my existence!"

sakura:"I'm sakura haruno.what i like...well...the person i like is..." Sakura said then looked over to sasuke. "and my hobbies are...well my dream is...dislike's naruto!"

Sasuke:"my name is sasuke uchiha there are tons of things I dislike but i really don't like anything" Sasuke said. Jordan had a comment to say but she kept it in. "And...I don't want to use the word "dream" but...I have an ambition, the resurrection of my clan, and...Definitely to kill a man."

kakashi:"ok now for you jordan"

Jordan:"Kay, likes? umm i like drawing and many other's things, dislikes? um...I've only been here for a few days but....Ino and sasuke." Jordan smiled. "and dream's? Dream is to become the best at what I do to have everyone know my name I suppose.." Jordan said.

kakashi:"okay you guy's are all interesting we'll start your missions tomorrow." Kakshie said.

Jordan: Went home right away then whens he got in to the house she smiled then said "...YES!!!"

Shawn: Looked up looked like he had a hang over. "ugh.....how was your day?....."

Jordan:"Aww man it was awesome I got this hot guy for a sensei and my firend naruto's in the team to!later!" Jordan said then ran in to her room. Shawn looked like he had no idea what she just said.

Shawn:"That's nice.." Shawn said then layed back down.

3 - A New Sensei Named Kakashi

next day Jordan woke up ready to start the day.

Jordan: She yawned then smiled as she jumped out of bed, then ran around trying to get ready then ran down to the training grounds.

Sakura:"good moning....."

Naruto:"Hey..."

Jordan:"Yo" Jordan grinned then yawned they came when the sun didn't come up and they stayed there until the sun fully came up and it was maybe 10:00 am? looked like it.

Kakashi:"hi fellows good moning"

Jordan:"Moning kakashi!" Jordan said looking up from what she was darwing.

Naruto/sakura:"YOUR LATE!!!!!!!!!!!!!!!!!!!!!!!"

Kakashi:"a black cat corss my path so...let's move on." He said then walked over to clock. "Alarm set to 12PM. " Then kakashi took out some bells, "today's topic is to get the these bells from me.whoever can't will have no lunch.i'm going to tie you there." piont's to three stumps. "and eat lunch in front of you" Kakashi said the kids looked really hungry.

Sakura:"but wait why are there only three bells?"

Kakashi:"since there's only 3 at least one will have to be tied to the log,that parson will fail since he failed to complete the mission.the parsom will go back to school it might be just one or all four you can use your shuriken you wont beable to get this unless you kill me."

Jordan:"kill?" Jordan said a bit shocked she wanted to become a ninja but kill?

Naruto:Naurto used a ninja knife and tryed to attack kakashi.

Kakashi: Kakashi went behide him and grabed his hand and his head. "Don't get so hasty i didn't say 'start' yet.but is look's like you have the will to kill me.i think i can really start likeing you four...Now ready? start!" Kakashi said. The four jumped and hid.

Naruto:"let's have a mach right now!"

Kakashi:Kakashi looked like he could careless he then took out a little book? They fought then naruto fell in to the water.

Jordan: Jordan sighed then thought. *"man i'm hungey...! guess I shoulda ate before I came over here....."* Then lots of naruto clones come jumping out of the water then all go after kakashi and then naruto's hits his own clone? After he fell to the ground he found a bell on the ground.

Naruto: "A bell!? he must have been in a hurry he dropped the bell" After naruto got up and picked it up he was fooled in to to trap it set off making naruto hang up side down by his feet.

Kakashi: Kakashi picked up the bell and said "Don't ever fall for the obvious trap, stupid"

Sasuke: In a tree sasuke thought that this was a perfect time to attack and he did he threw stars at kakashi all hitting his side the impact made him fall to the side.

Naruto: "Susuke you went to far!" Naruto yelled.

Jordan: "OH MY FRACKING GOD EMO WHAT DID YOU JUST DO!?" Jordan yelled jumping up from where she was hiding. She didn't want to kill kakashi at all. Then Kakashi disappears and turns in to a log?

Jordan: "What the frack?! oh damn!" Jordan said she blew it when she jumped up like that she ran off to find a new hiding spot.

Susuke: Sasuke ran off while sakura followed him.

Naruto: While he left naruto he managed to cut himself free he jumped down and fell in to another trap "I FELL FOR IT!!!" Naruto said angry at himself.

Mean While in the woods Kakashi saw sakura then used a jutsu on her making her stand confused in an open field.

Sakura: "where huh huh where am i?! what was that!?! huh huh?! where am i?! huh huh what was that?!" Sakura said looking around. Then a bloody corpse of sasuke clung to her with knives sticking out of his body.

Susuke: "Sakura...." Sasuke said weakly.

Sakura: "susuke..." Sakura said then fainted.

Kakashi: "Did i go to far? seemed like something she could have figured out" Kakashi said watching the girl the whole time from a tree.

Jordan: "yeah..." Jordan said hiding in a place where kakashi didn't see.

Then susuke and Kakashi fight and sakura gets up and naruto's still hanging in the tree then naruto sees the lunch's and tries to eat them and Kakashi beats susuke and goes for naruto.

Naruto: "Time to eat!" Naruto grinned getting ready to eat the food.

Kakashi:"hey" Kakashi said right behind him.

Naruto:"is that a joke..." naruto said looking back slowly.

Kakashi:"to late!" Kakashi jumped naruto tying him up to a stump, Mean while Susuke and saskura talked then the clock alarm went off. While Jordan was just coming out of hiding from a bush. He looked at the children as the sound of rumbling came from their tummies. "You all sound hungry. by the way, something about this training...well there's no need for you to go back to school"

Sakra:"but all i did was pass out"

Jordan:"Atleast you got to do something." Jordan said sarcastic meaning that sakura got to do something while her on the other hand just hid.

Naruto:"then then all four of us pass?!"

Kakashi:"yep all four of you...Should quit at ninjas!"

naruto:"quit as ninjas?!what do you mean?"

Jordan:"Yeah!?"

Naruto:"sure sure we weren't able to get the bell's but why do we have to quit?!"

Kakashi:"it means you are all brats who don't deserve to be ninjas. are you guys disrespecting what it means to be a ninja?"

all:"uh?!" There eyes were shocked at his words.

Kakashi:"why do you think we're training as teams?you guys haven't grasped the answer to this test.it's about teamwork.if you had come at me together,you might have gotten the bell's well to bad now saskura! instead of naruto who was right beside you were only concerned with susuke even if you didn't even know where he was.Naruto! you were just running around on your own and susuke you assumed the other's would get in your way and acted alone and Jordan! all you did was hide. missions are completed with teams selfish actions that destroy your team bring danger to your team mates and that gets them killed for example..." Kakashi paused then took out a knife. "Sakra kill naruto or susuke dies! that's what can happen"

Saskura:"oh that scared me" Sasakra sighed in relieve.

Kakashi:"i'll give you one final chance.but after lunch it will be an even tougher battle for the bell's those who want to challenge me can eat lunch but don't feed naruto it's a punishment for trying to eat by himself.if you feed him...you will fail immediately.here i am the rule's got that?" After kakashi said then he disappeared into a cloud of smoke then the other ate.

Naruto:"i don't need food!"

Jordan:"yeah right! here!" Jordan smiled then handed him some food of hers "now eat"

Naruto:"no!"

Jordan:"Eat it!" Jordan said annoyed.

Susuke:"jordan's right here" Sasuke said then handed him some to.

Suskura:"Hey susuke! sensei said--"

Susuke:"don't worry we need to work together and if he can't help,we'll be the one's to suffer."

Suskura:"Right. Here." Sasura said handing naruto the food.

Naruto:"thank you!"

Sakra:"it's fine just hurry up and eat" Then saskura feed him. Jordan giggled in the back ground.

Kakashi:"YOU GUYS!!! disobeying the rules,eh? you must be prepared to pay then?anything you have to say for you selfs?"

Naruto:"but.."

Kakashi:"huh?"

Naruto:"but but but...sensei you said it! that's why they..."

Susuke:"we are four man-team right?"

Suskura:"yeah the four of us are one!"

Jordan:"Yeah!!!"

Kakashi:"the four of you are one...eh?...you pass! you pass"

Jordan:"wha???"

Kakashi:"you guys are the first one's to pass up untill now the other's were idiots who did whatever i said in the ninja world ,those that do not follow the rules are called trash. But you know...those that don't take care of their friends are worse than trash!!!"

Naruto:"he's...he's...so...cool...." Naruto said ready to cry.

Kakashi:"the test is over you all pass! team 7 start's it missions tomorrow"

Suskura:"yes!"

Naruto:naruto was crying. "yay! yay!i'm a ninja ninja ninja!"

Kakashi:"let's go" Kakashi said then all walked off leaveing naruto still tied up.

Naruto:"i new i would end up like this!un tie me!!!"

Jordan:".....ahh he'll be ok!" Jordan said sarcasticly, then ran back to untie him. After that she ran back to shawns house where she saw him with no drink or hang over for a chage.

Shanks:"....so how was---"

Jordan:"Oi my god it was sooo awesome!!!!!!!!!!!!!" She said then ran back to her room.

Shanks:".....Well that's good."
