**Chapter 0 - clan memebbers ATTENTION**

## 0 - clan memebers ATTENTION

dear clan memebers,

i dont think i will continue the story anymore. I am sorry to tell you this, because people kept leaving th clan and that means when they leave in the story they have to die. I dont like killing off charas like flies one after the other. So if you find it in your heart to forgive me, thank you. I will do something with the clan, either write 1 or 2 poems about the clan memebers or a shot story about each clan memeber. Again i appolagize.

if you want the story to continue i will think about it, but i will probably again i will repeat **PROBABLY** not continue it. I will finish the next chapter that i will post ans see from there. Im sorry and dont be mad.

sensierly yours,

~Lupe
