Chapter One

Narrator: Me (Bre)

Narrator: As InuYasha, Kegome, Shipo, and Miroku walk down the road heading back from fighting with Sango, not to leave the group, they head to the next town hoping that Sango will catch up with them and change her mind.

InuYasha: *why did she have to go get herself all up in an emotional uproar over her brother's death?*

Kegome: *wonder what InuYasha is thinking about? he's most likely think about a way that he can make amends with Kikyo.*
InuYasha which way to the next town, right or left?

InuYasha: about five miles right. *God she doesn't even care that Sango left us?*.It'll be night fall before we'll get there.

Shipo: I'm starving, can't we stop, rest and get something to eat,....please?

Kegome: I got....

Miroku: I got enough food for all of us, but only enough for tonight

InuYasha: Well I'm not hungry....

Kegome: Why InuYasha, you have to eat.

InuYasha: No, I want to...., You guys better hurry and eat and then get some rest since we have a long day ahead of us.

Three Hours Later

Narrator: While everyone else is sleeping InuYasha sits there cause he can't sleep.

Inuyasha: *When will this all end? I don't want to keep fighting Kikyo, with my love for her and knowing that Kegome is hurt from my love for Kikyo.*

Kegome: *huh, what is he doin up still???*

Narrator: InYasha does not know that Kegome is awake cause he is sitting with his back facing her.

InuYasha: It would be so much easier if I never met Kegome

Kegome: (starts crying)*how could he say such a thing*
