1 - Intro- Lord Dramos

Lord Dramos is the ruler of the Demon realm, a land further below Hell, he became ruler sometime after Arther Hems the most, recent demon slayer of Earth, had banished him to the Demon realm for trying to conquer Earth. For that reason he despised Arther with great intensity and promised him that he will mutilate his next child. "O lord", said Nathon, Dramos' loyal servant, "I have good news". Get on with it!" Said Dramos dispassionately. "Arther has trained his son well and I have a plan to go to earth." Nathon said with an evil grin on his face. "What is it?" questioned Dramos. "I set the portal in the Crimson tunnel" "the portal doesn't work!" Interrupted Dramos. "But this time I can crash the demon train into the portal then all you half to do is go through it!" "Arther will send his son to stop it," Said quite disgruntled." Not to worry," exclaimed Nathon, "I have a plan for the little human!" "Everything is set up," Nathon said happily, "all we half to do set the bait!"
