**Chapter 1 - a feeling**

**2**

# 1 - a feeling

I have a feeling

A feeling that feels like love

But wait its stronger

What is this feeling that I feel

A feeling of intense want

Could this feeling that I have be more

I have a feeling

A feeling of lust

I want her

I want her so bad

Bad enough to kill those who hurt her

Bad enough to want to commit suicide to make her happy

I have a feeling

A feeling that makes me crazy inside

A feeling that makes me want to scream

A feeling that makes me want to die

I have a feeling

(Dedicated to the one who makes me live)
