1 - Well... this is a poem, so there really is no chapter

He rode on
Through the dead of night
Not stopping
Not speaking to anyone
He had to get to his family
Before disaster struck them first
The men had weapons:
Swords and spears
Marching toward his home
To eliminate his family
He had done something wrong
They should not suffer
Their lives should be spared
While his was taken
As he raced home
He came to a terrible sight
His home ablaze
His family slaughtered
He looked at them once
Then turned around
Never to look back

To see if any survived

He fled to the hills

On his horse at full speed

And that is how he became

The man who killed his own family

It may seem legend

But it is not

And I should know

For I am the soul survivor
