ummm... were should i start? ahh yes:

ok.. i was in the woods laying down under a tree. suddenly a arrow is beside me. i look up and there she is (kykyo) then she says "think fast" then lots of arrows rapidly shooting at me. i keep dodging(sp?) and get lots of shirt rips. me: "huff huff wez(sp?) dang girl... huff wez(sp?) what the heck is huff... your problem? she did not answer. she jumps off the tree then she chants stuff (not dancing). suddenly some fire bird (almost like moltres in pokemon but all around covered in fire) the bird heads right at me. before i could even feel the burn. i woke up.
