Chapter 2 - Magical Nagoshi	3

1 - Psycho chao

Hi I'm Nagoshi7. I am on this site because my friend Paisly/ Nightychao forced me on. I suuuuuck at drawing so I will write mostly stories so this called

Psycho Chao

One evil little day in the dark chao garden my baby chao nagoshi (who is creepy in a cute way) was cramped in with 7 level 99 everything chao's ran him over all 32 times in 30 minutes and pushed him in the water 12 times. So I rose him to be 99 everything in the hero garden. Then I put him back in the dark garden saved and turned it off. The next day those 7 chao's were gone and Nagoshi would not eat.

2 - Magical Nagoshi

Magical Nagoshi

After he made 7 chao disappear he got a knack for magic. First he always would somehow have fruit just go away. I'd give a fruit he will take a bite throw and the fruit was gone and his stamina would stay the same. But the really scary part, with Nightychao as my witness, is he would be at age 4 and a day later he would be age 2 and has never died until yesterday. After he died his stats weren't A's or S's but at level 1 swim he could swim and level 1 run he could run!
