1 - Untitled

By chance I found you
Screaming
I saw you
Bleeding
Disembodied
Just a name
But through a screen
In a mirror
To me
So much more
Words
Swim in my head
I hear
You calling
I pray
 pray
But I care
For a soul
In need
Reaching
Through words
My heart
My love
Tears fall
They fall like blood
From a heart
Weary
Tired of
This world
The name
The role
Beneath I see
A sister
Bound
We are
by the
Rope of
Intercession
In a strange way
I love

For you, Ginx
