1 - What the?

It's just after the Shaman Tourney, and Yoh and Co. are travelling around Japan when they see a girl riding on the back of a boy with dog ears. needless to say, they follow. They run after the girl, and then they see her and the dog-boy jump down a well. So, they follow.

Feudal Era;

After a pointless reunion with Shippo, Miroku and Sango (Kagome and Inu-Yasha were only gone for 10 minutes,) Kagome senses something. She turns around, and sees a three-foot tall boy climb out of the well, followed by: two identical boys, one dressed in what looks like a victorian bathing suit and carrying a sword, and the other wearing a big cape. They are followed by: A Chinese Kid with pointy hair, a scowl, and a big red shard staff-thing;a blonde, rather effeminite man wearing a blue coat and hat; a guy with what looks like a banana made out of hair, who's carrying a wooden sword, and a guy with a snowboard.

"Who are you?" Inu-yasha demands.

"Oh, I'm Yoh Asakura, this is my twin brother Hao, and my friends Manta, Ryu, Len, Trey, and Faust." the boy in the bathing suit points to each person. "What just happened? Hey, are you her guardian ghost?"

"What the?" the Inu-Yasha crew demands. Just then, a gust of wind starts blowing, and dead guys start attacking the confused group.

"A Dao-Shi?" Ren looks around.

"No, this is something else. Eliza!" Faust whips off his coat, and Eliza starts beating the crap out of the dead guys.

"Amazing!" Miroku remarks. "Somehow, he's controlling the skeleton."

Just as Eliza has finished destroying the corpses, another effeminite man appears, and starts attacking her. She fights back, but Yoh, Len and Ryu have to go beat him up. Meanwhile, Manta and Shippo make the odd discovery that there IS someone who's taller then him.

"Len, what are you doing here" Jun climbs out of the well, boosted by Lee Pailong, (who's trying not to look up her skirt, the filthy perv).

"Ah! Excuse me, i know this is strange, but would you bear my child?" Miroku asks immediately. Lee Pailong beats him senseless.

"Hey! You can't do that to my Miroku!" Sasngo and Kilala start attacking Lee, who is backed up by Eliza, while Inu-Yasha goes to help Sesshomaru.

One hour Later:

Everyone is exhausted, and they can't do a thing when Naraku and Kikyo stop by, steal everybody's Jewel Shards, and run off into the sunset, singing.

The End
