1 - Short Story 1

Once upon a time there was a girl who annoyed this other girl. Soon, the second girl got the power to control fire. She got an evil idea. She went to the first girl and threw a fire ball at her. She smiled then felt guilty. She tried burning herself to death, but controlling fire made her unable to burn. So she had to live with the guilt until she got killed by the first girl's psychotic mother.

The end!
