Chapter 13 - R.I.P

2

13 - R.I.P

The sound of water splashes through our minds
Silence pains our unknowing souls
We let go of your little hand
Freezing water fills, surround our open wounds
We lost the chance...

 The chance for you
Life held on by thin blue string
A little life, clinging to survive
We never knew.

Little boy, forgive us
Our wrong snapped the string
Little boy, we love you so
We let you go...
Your smile is captured in our hearts
Forever little boy
we love you

We ran out of time
Your sweet smile flows through our veins
Water runs with full force
As do tears down our cheeks
Your little being, helpless
We lost the chance...

 The chance for you
Nothing in this world could erase that day
 No wishes
 No cries
Piercing water rushes back painful memories
A young soul drowned in a pool of water

Baby boy, forgive us
Our wrong snapped the string
Baby J, we love you so
We let you go
Your smile is captured in our hearts
Forever little boy
We love you

So now little one
God is holding your small hand
He holds you, our baby boy

As we once did
He will let you splash in the waters of heaven
We lost the chance...

 The chance for you
But God is now giving you a chance
To have your wings
Baby boy
