Chapter 1 - Nightdream	2
Chapter 2 - "Hello"	3

1 - Nightdream

Nightdream

~*~

Must sleep,

Can't sleep,

These thoughts are far too much for me.

Dreaming,

Musing,

It's a daydream in the night.

Thoughts flow,

Can't stop,

Running, running, tap, tap, tap...

So good,

So deep,

Fly, fly away.

Waking,

Nightdream,

It's a daydream in the night.

2 - "Hello"

"Hello"

~*~*~

I hold my head up high,
To prove that I'm not weak,
Confidence runs strong,
A cocky pride runs through my veins.

I bow my head down low
To show respect to you,
But do you understand
That these feelings are so true.

Tears run down my cheeks,
You're all but gone to me,
But you come and bow your head
In a casual "hello".

I close my eyes in glee
And smile to myself,
At that moment I realize
That you'll always be my friend.
