# 1 - True Friendship

Ninetails390: This is another one of my dark, slightly angsty, poems.

Malik: It's about me, from my point of view.

Lily: ninetails is a good author, but she technically doesn't own any Yu-Gi-Oh characters.

Hieroglyphs, in my back,  
Carved by my own father.  
Mother died when I was born,  
And Father when I was young.  
Left with Isis, my older sister,  
I've always been a loner.  
Rishid was my only friend,  
He guided me to darkness.  
Then I met two loyal friends,  
Ryou Bakura and his yami.  
Ryou has taught me kindness, love.  
Bakura showed me memory.  
They're like me in so many ways,  
But have their own uniqueness'.  
I guess that all I really need,  
Is the power of true friendship.
