1 - If everyone cared

IF EVERYONE CARED BY: NICKELBACK

From underneath the trees, we watch the sky

confusing stars, for satilites

i never dreamed that youd be mine,

but here we are, were here tonight

Singing Amen i, im alive (im alive)

singing AMEN i, im alive

[CHORUS]

If everyone cared and nobody cried

If everyone Loved and nobody lied

if everyone shared and swallowed their pride

the wed see the day, when nobody died

and im signing

amen i, im alive

amen i, amen i, amen i, im alive

And in the ar the fire flies

our only lite in paridise

well show the world that they were wrong

and teach them to sing along

singing amen i, im alive (im alive)

singing amen i, im alive

[CHORUS x2]

and as we lay beneath the stars

we realize how small we are

if they could love like you and me

imagine what the world could be

[CHORUS]

wed see the day, wed see the day

when nobody died

wed see the day, wed see the day

when nobody died

wed see he day, when nobody died
