It goes along with my picture that I drew of the same name. But something is different because on this title, I added an "S" after letter. No, none of it is a typo. That's what made more sense.

Well, I better get on with it, so enjoy!

1 - Chapter 1

My name is Mitsuki Koyama and I love Eichi. I can't believe he died when I knew all along. "Mitsuki, are you OK?" said a voice. Was she hearing things or was that voice true. She heard that voice again. "It must be calling out to take my soul." said Mitsuki. Mitsuki looked up. "Yes." she said. "Well, I guess it's time for you to go." said the voice. "Can I still sing as a shinigami?" asked Mitsuki. Takuto appeared. "Of course you can, Mitsuki." said Takuto. "But apparently I'm a Shimigami again since it almost time for you to go." Mitsuki was afraid. "Please, I don't wanna." she whined. "Mitsuki, you had one year and that one year is up. It's time. And I'm sorry. That voice is calling to you. That way you can be with Eichi." said Takuto. "I may love Eichi." said Mitsuki, "But I also love you." "Love me?" asked Takuto, "Well, I love you too. But as in family, right?" Mitsuki nodded (author note: i didn't like how the author of the Manga made her be with Takuto if they are basically like family). "I don't wanna leave you or Meroko because you two are like family to me." said Mitsuki. "I'm sorry. I wish I could do something." said Takuto. "You can." said Meroko. "But, what if.....?" asked Takuto, "She's been living even more than a year.....living more. Isn't it time?" "You idiot!" shouted Meroko, "As long as we stay on this Earth and don't go back to that darn underworld, her name will fade off of the death list and that's what we've been doing! I love her too, but that is unacceptable even if it is a Shinigami's job!" Takuto looked at her. "I guess your right." said Takuto, "But the world for her revolves around her love life, Eichi." Meroko blushed. "That Eichi-kun must've been a cutie!" Takuto looked away and rolled his eyes. "You idiot!" shouted Meroko, "I saw you roll your eyes! Why can't you get anything!? It isn't polite whatsoever!" "Sorry." said Takuto. "it's ok." said Meroko, "but how are we supposed to deal with?" Mitsuki came up to them. "I want to be close to Eichi so I don't think I can bear living any longer emotionally." said Mitsuki, "I may love singing but please, do your job, quickly." Meroko looked at Takuto and Takuto looked at her. They talked and talked. "No." they said, "We can't let that happen to you. We're sorry, Mitsuki." -

2 - Chapter 2

Mitsuki broke down at that. "Why?" asked Mitsuki, "You may be angels but you still have a role." Meroko and Takuto's hearts fell and then reconsidered that word. "That is actually the first time a person has actually referred to us as angels." said Meroko, crying. "That was very nice of you." said Takuto. "More specifically, we are shinigamiiz but I love that name." said Meroko. "Usagi-san." said Mitsuki. "We're sorry we made you cry because you know what our role is other than being shinigami. We are the ones who silence the tears of children!" Mitsuki's tears were dried with Takuto's handkerchief and her frown turned into a laugh. "Gets her every time." said Takuto. "So, can you please stop thinking about being a shinigami?" Mitsuki looked at Takuto. "I know you don't want this to happen but you know that I love Eichi. You may be like family to me but what about my love life that is supposedly a shinigami now?" said Mitsuki. Then, Izumi came. "Izumi, Izumi!" said Mitsuki. "What do you want?" said Izumi. "She wants to become a shinigami but she cannot die because we love her too much." said Meroko waving her finger in the air. "Well, you can't stop someone who wants to die, right?" said Izumi. "Um....." Takuto said. Meroko made Izumi then disappear as well as Jonathan. "Where did they go?" asked Mitsuki. "Somewhere else." Mitsuki said, "As stubborn as Izumi is, he says.....you heard what he said right?" said Meroko. Mitsuki nodded. "Yeah." she said. "Well, we can." said Meroko. "Well, no matter whatever you say I will never give up that I wanna see Eichi-kun." Takuto looked at Meroko. "That girl....." he whispered to her. "What if we told you this?" said Meroko, "We'll let you become a shinigami and see how you feel about it. Just don't tell us about it." "OK." said Mitsuki, "I guess I will." Mitsuki went outside of her house. "I want to see Eichi." she said. "Then, that's why you wanna be a shinigami?" asked the voice. Mitsuki looked at her house. "I don't know if my Grandma.....and Wakaouji-sensei." said Mitsuki, "What will they do if I'm a shinigami and they don't know me anymore?" The voice looked at Mitsuki. "It's Ok." said the voice, "They most certainly will even if your name is reversed." Mitsuki looked at the house and then smiled at the sky where the voice was. "I most certainly will. So I can both be with Eichi and my family."

Dear Eichi,

This is Mitsuki. I don't know if you turned into a shinigami or turned into a ghost when you died in that plane crash but I wanna tell you that I'm going after you. I'm gonna become one myself. So, please wait for me to come to you. I love you, now I can say that to your face after I'm a shinigami.

3 - Chapter 3

"I can still sing, right?" asked Mitsuki, right before the voice took her soul. "I guess so but usually remembering what it was like as a human may turn you into a ghost." answered the voice. "That's not true." said Mitsuki, "I helped Takuto not turn into a ghost. He remembered about how he was a singer and that's it. That didn't change him at all. And yes, I also turned him back into a shinigami." "I always knew you had powers within you other than the power to sing out when you have throat cancer." said the voice. "Um....actually I was able to sing because Takuto turned me sixteen. I really loved being sixteen, I look so pretty with blonde hair and who knows what else?" "Mitsuki, it's time for me to take your soul." said the voice, "So, please be prepared. After this, you won't be able to remember much of when you were human but you will remember the ones you knew while you were human. You will still know Takuto and the rest of the Shinigami as well as your grandmother and other family." "OK." said Mitsuki, "But the thing I really want to know most is, will I still be able to sing?" The voice nodded. "You might." said the voice, "And might not. Which one is more important, living and singing or seeing Eichi?" "Eichi." said Mitsuki. "Ok. So I will take your soul." said the voice. That was it for Mitsuki. Her living that was.

Dear Eichi,

I am still coming for you. I am dying so I can be with you. The voice said that you are a Shinigami and the next time we go to Earth, we can hang out together like we did before you left to study in the United States. I love you mostly, that is why I am going after you. The voice says that I might still be able to sing, my dream. So, please, I will not give up on you or anyone because human me or shinigami me, I will still be Mitsuki. My name will just be reversed just like yours probably is. I love you.

-Mitsuki Koyama

Dear Mitsuki,

I am thrilled to be able to see you again but why do you think this is worth it? I'm glad to hear that you love me but once you die, you die. I know that you wanna be with me but what about your family? They love you.

-Eichi Sakurai

4 - Chapter 4

Dear Eichi,

You can't stop me because I love you too much. I can't stand being away from you all this time. I love you, I can't.....

-Mitsuki Koyama

On the way down, Mitsuki saw Eichi. "Eichi-kun." said Mitsuki, "Is that you?" Eichi looked at her. "Mitsuki, I got your letters. What are you doing?" Eichi said. "I am now a Shinigami like you." said Mitsuki. "Will we go back on Earth?" asked Eichi to the master. The master didn't answer. "I forgot to tell you about how I was able to see Shinigami when I was alive." said Mitsuki. Eichi looked at Mitsuki. "Mitsuki, that is very strange for a human. It's because of my death, right?" asked Eichi. Mitsuki looked at him sadly. "Yes." she said, crying.
