The Goomba

There was an Italian plumber named Mario. He was just taking his morning constitutional when he encountered a goomba. "Good morning, there." greeted Mario. "Yo! Wut up? I heard that if you go into that cave, Michael Jackson and Barney will get you high!" lied the goomba. "Really?" asked Mario. "Yeah!" replied the goomba. "okay." said Mario. So he went into the cave to his right. Little did he know, though, that there was actually a sumo piranha plant in there. The goomba went up to the cave with a lounge chair and popcorn and said, "All right! This is gonna be shizzle! Ha ha!" Inside the cave, Mario was waiting for Michael Jackson and Barney to bang him. "Hello?" called out Mario. "Michael Jackson? Barmey? I'm ready to get high now! Hello?" Mario waited for a couple of seconds and when no one was coming, he sat down and said, "Gee, this is taking a long time. I wonder if there's something wrong with them. Maybe I should go check. Hmm... What's that noise?" When Mario turned around, the sumo piranha plant was standing right next to Mario snarling and growling as if there were no tomorrow. Off camera, Mario screamed and the sumo piranha plant ate Mario and spit out his skull and some other bones. The goomba was laughing hysterically outside the cave. He picked up Mario's skull and said, "dog." as he was walking away, stil hysterically laughing.
