1 - Kikyo is a murderer

"Inuyasha, why won't you die, and leave that fool Kagome?" "I can't Kikyo, I love you, but I feel the same way for Kagome. She tried to help you, but since you saw her with me, you denied everything but my help." Kikyo was maddened by this. "Hm. Inuyasha, I have to go. I have, uhh.. business to do." "Kikyo, don't leave." "I have to." Kikyo left with anger. "If I want Inuyasha to die with me, I have to get rid of that fool, Kagome." Later, Inuyasha still had wounds from a battle with Naraku. "Inuyasha, I have to find more medicine, I'll be right back." Kagome went outside to find it. Kikyo was standing behind a tree. She pointed the arrow at Kagome, and killed her. An hour later, "Kagome's been gone a long time." He came out of the hut and saw the bleeding, body. "Ka.. Ka.. KAGOME!!!!" He ran for his life. He cried holding the dead body. "Kagome, don't leave. I.. I.. I love you. Please don't leave. Huh?" He saw the arrow that struck Kagome. He knew she didn't do suicide because he could've seen the bow and arrow near her. "Kikyo." He walked to her tree. "Inuyasha, you've come to die with me. How pleasant." "No, you killed Kagome." "What? I did not." She lied. "Don't lie to me Kikyo. You know you killed her. You said that you wanted me to die with you but I said that Kagome was the one I loved too. I know. You wanted me to die with you but you had to get rid of Kagome first. I should've known." "Inuyasha, she's dead. Let's go." "No."
