Chapter 1 - Follow

2

1 - Follow

Can you see me,
can you hear my voice,
does it cause you pain,
or does it make u rejoice,
follow your ear,
let your spirit guide you to a magnificent place,
there you will find love like you never knew ,
passion just grew,
life like no other,
the spirits there dance among the stars
they will lift you up
and show you what it truly is like to live in peace and wonder,
they will show you the love
as you ponder on if it is real
just have faith and take my hand
and I will guide you to this wonderful place,
the glory will shock you as it mystified me ,
like power over no other
take my hand but most of all take my love
let it speak to you as yours has spoken to me
like the leaves rustling in the wind,
dance with the wind and let it blow you away
and always know of my love for you will never change ,
it will be with you no matter what you do
for it is the most wonderful thing you will get to have ,
my gift to you ,
my love,
my grace
take it and treasure it
for my existence will someday be no more
so hold me while you can
and I will stay with you forever more,
my compassion will guide you
and help you see just as yours showed me
that you and only you could possibly ever be my true love
and the perfect match
for my spirit has shown me the one I love
and it stopped over your head like a shining star
and because of you I feel that you will be forever more!
