Chapter 1 - Why

1 - Why

Why is today so long
why do i feel this pain
how come i am always wrong
when can i get away

why did yesterday end
and become a new day
with more pain and heartache
when can i just get away

my future is already ruined
my past is just a lie
my present is in hell
when will i just die

i have longed for so long
to die upon my bed
layin in all my tears
full of all my dread

i fell to sleep last night
with all that in my head
wondering what was wrong
cryin on my bed

as i relized that here i am to die
i stuggle once again
for my life thats almost dead
my greatest struggle yet
