# 1 - Botan

A Yuyu hakusho Halloween

By:punkrocker

It's Halloween! We find our heroes getting ready for night. "Hiei! Have you seen my Dracula teeth?" Jennifer yelled. She was in a long black gown, she dyed her hair black, and the make up on her face was white as paper. "Never mind I found them!" Jennifer picked up the fake teeth and them in her mouth. "C'mon Hiei!" Jennifer called to him. Hiei came behind her and scared. "I'm ready." Hiei tried to use the fake teeth. He had black pants, a black jacket, a cape, and fake teeth. "Don't scare me like that." Jennifer said a little jumpy. "So where are we going?" Hiei asked. "We're going to meet everybody at the park and then we're going to this one place in the forest. There is a hill up where you can see the moon." Jennifer explained. They went outside the door. They walked to the park and found the others. "Hi Jennifer." Botan said cheerfully. She was in a purple dress with a witch hat, a black cat backpack, and her ore was at her side. "Nice costume Botan." Jennifer complimented. "You look quite frightening." Kurama added. He had a white outfit, fake ears, and a fake tail. (He's dressing up as Youko+\_+) Suddenly they heard a scream. It was Kuwabara and Yusuke. Yusuke had a Frankenstein costume, a flash light, and fake bolts on the side of his head. Kuwabara had a mummy costume, a creepy mask, and a roll of toilet paper. "Why do you have toilet paper?" Jennifer asked. "I thought we could tepee some one house." Kuwabara chuckled. "We're not going to tepee anybody's house. But we can't let this go to waste." Yusuke took the toilet paper and wrapped Kuwabara with it. (Kuwabara is a toilet paper mummy+\_+) Everyone started to laugh. "Can we just go now!" Kuwabara ripped off the toilet paper. They all went towards the forest. As they were walking the moon got bigger and bigger. "Isn't beautiful." Botan admired the moon's beauty. Suddenly a dark figure came out and

grabbed Botan."Huh,Botan!"Kurama looked behind him."What is Kurama?"Yusuke asked."Botan was taken."Kurama explained."What could have taken her?"Kuwabara wondered."Maybe there is a stalker,or a monster,or even worse!"Jennifer shivered in fright."What ever it was it left a huge foot print."Hiei looked at the foot print that was left behind."It looks big enough to be a bear,or a demon,or...!"Kuwabara looked at it."Ok I freaked out!"Jennifer held on to Hiei.+\_+What could have happened to Botan?

When we last saw our heroes, Botan was taken by a dark figure. "We should split up and look for her," Yusuke suggested. (Why does that sound like Scooby-doo+\_) They nodded their heads and split up into groups. "Man, this place is creepy," Kuwabara was scared. Suddenly someone came behind him. He tapped on his shoulder. Kuwabara turned around. "Boooo." Hiei yelled. Kuwabara screamed. (I just couldn't resist putting that in+\_) "I wonder what could have happened to her?" Kurama wondered. Suddenly they heard a scream. "Kurama, Jennifer where are you?!?" Yusuke looked around. He ran back to the others. "Kuwabara, it took Jennifer and Kurama!" Yusuke said with his last breath. "Oh man, now it has Botan, Kurama, and Jennifer." Kuwabara explained. "We have to find it, before it finds us!" Hiei explained. "Too late!" A strange figure came up to them. It had black hair, glowing blue eyes, a black outfit, and bat wings. "Jennifer?" Yusuke wondered. "No I'm Jennifer's other half. I'm an evil spirit that lives inside her. I came out after I had enough power. And now I need souls to live!" The evil Jennifer explained. "Where are Botan and the others?!?" Kuwabara asked. "I hid your little friends. I'll eat them later!" The woman cackled. "You monster!" Hiei charged at her. "Wait, that's still Jennifer!" Yusuke stopped him. "That's right. Jennifer is still in me. So if you kill me you kill her!" The woman explained. Suddenly the woman started to transform. Soon the real Jennifer appeared. "Hiei, I'm so glad you're here." Jennifer hugged him. "Listen to me I need to give something. Before she comes back." Jennifer gave him an odd shaped charm. "If you put this on her heart. She..will...destroyed." She explained. "But won't that kill you?" He said as fast as he could. "No" Jennifer started to transform. Hiei hid the charm. Soon the evil woman was back. "That little annoying trewp!" She brushed her arm off. "Tell you what I'll do. If you come with me. I'll spare your lives. But if you don't you'll be just like your friends." The woman offered. They decided to go with her. (Don't worry Hiei, has that charm+\_) They followed her up the hill to the cliff. "Soon the sun will rise. And I will be immortal!" The woman laughed. "Hiei" The woman called. "Do you want to take a little ride?" She held out her hand. "It's just like in my dream." Hiei thought. He grabbed her hand. The woman jumped off the cliff. Hiei held on to her neck. When his hand was close enough he put the charm in place. Mean while Yusuke and Kuwabara were watching from the cliff edge. "What are you doing?!" The woman said in raspy voice. As the charm went into her she began to transform. Soon Jennifer was back. But, Hiei's hands slipped. "Hiei!" Tears ran down Jennifer's face. As he fell, Yusuke and Kuwabara watched with terror. "This is it." Hiei thought. Suddenly out of nowhere Jennifer swooped in. "Are you ok?" Jennifer asked. "Yes, let's find the others." Hiei replied. Soon after they found the others hanging from a tree. "It's about time you showed up!" Botan yelled. They cut them down. "Well I guess we won't be able to see the moon. But we can see the sun rise." Jennifer suggested. "I think we had enough for one night." Kurama chuckled.+\_+That was cool.
