Chapter 1 - i hate my life...

1 - i hate my life...

I hate my life....

First I wake on Saturday for a tiring day of skool

Then go back home and study, study isn't cool!

And Saturday is one of the days when Arabic teach is here

And I have to learn my wahed, thanan, thalafa ((one, two and three in Arabic)) or learn to face his leer!

On Sunday which is good enough cause there's nothing to do,

Except lay on bed and die of boredom ((not really)) but then there's homework to!

Monday is just sickening from the skool schedule while Arab teach is back!

It's shocking as well as boring so get ready for an ((insane)) attack!

Tuesday is just as boring as the rest

Cause piano class has come up to the test

So it's time for Do, Re, Mi's

But all I wanna do is drink my tea! ((That was incredibly dumb...like a moose...))

It's Wednesday already?! OH NO!! He's ((Arabic teach)) back again with extra smelly breath!

It's so STINKY it would bring the whole world to its death!!

Thursday...sigh...a day to relax right?

WRONG! For it's time to study homework

So better go get a dog to bite... ((The homework))

Now it's Friday! WHAT JOY! You'd think that I'd have a break by now right?

NEH!! WRONG ANSWER! It's swimming class and yet I'd rather have a cow!
