Chapter 1 - I feel

2

1 - I feel

I Feel

I feel the anger I feel the hate

I feel the love but it's too late

I feel the madness I feel the pain

I feel the joy but there's nothing to gain

I feel the wrath I feel the hurt

I feel happiness but its worth less than dirt

I feel sadness I feel rage

But most of all I feel locked up in a cage

But then I see you coming after me

And it seems as if you are the key

There's no more anger as far as I can see

But there's only the passion for life that you put in me

dedicated to kairay hisakata the best friends an okami could ever have!! ;)
